RE: PA PUC #8914202

~~A-2012-2285050~~

Dear Rosemary Chiavetta,

In response to the notice received by my client Ed Skillman from the Pennsylvania Public Utility Commission in regards to having proper Insurance on file to be in compliance. Prior to September 14th, 2012 Ed Skillman was collecting Insurance quotes to assure that all agencies had the proper Insurance filings on time. Ed Skillman had made the decision to change Insurance Agents and had informed the new insurance that the Form E must be filed with Pennsylvania Public Utility Commission to prior expiration on Sept. 14th, 2012. It was not until Ed Skillman received notices from the Pennsylvania Public Utility Commission was he aware that the Insurance agent did not get the Form E filed with Pennsylvania Public Utility Commission in time. Since it appears that the Insurance Agent was at fault for this situation and not my client I have advised Ed Skillman to contact his new Insurance Agent in regards to this situation.

Please accept this letter as acknowledgement that Ed Skillman had full intentions to make sure that the Form E was filed on time with the Pennsylvania Public Utility Commission and should not be held responsible for the mistake by his Insurance agent.

Thank you for your time and consideration in regards to this matter and hope to receive a letter dismissing this complaint against my client Ed Skillman.
