RE: **United Transportation Union, Pennsylvania State Legislative Board, by Donald W. Dunlevy, Trustee Ad Litem vs. CSX Transportation, Inc. PUC Docket No. C-20029004; Our File No. 13965**

Dear Jack:

I am writing to reiterate our discussions at the end of the PUC site conference last Friday in regard to the above-referenced matter. It would be extremely helpful for a potential settlement of this matter if your client would put together a list of concrete actions it would like CSXT to take to resolve the matters about which the UTU has complained, listed in order of importance. I will then submit that list to CSXT management for discussion and will get back to you with a response after the matter is given due consideration. With all sides being reasonable, I think there is the potential to resolve this matter, which would be to the benefit of both our clients. Please let me know if you have any questions or want to discuss this matter further at this time.

Sincerely yours,

Benjamin C. Dunlap, Jr.
