Public Meeting held October 27, 2005

Implementation of the EAS for Verizon North Inc.'s  
Seward Exchange.

Docket Number:  
R-00050740

**ORDER**

**BY THE COMMISSION:**

On July 8, 2005, Verizon North Inc. ("Verizon North" or "the Company") filed the proposed tariff revisions to its Tariff Telephone-Pa. P.U.C. No. 5, to become effective November 1, 2005, providing EAS between its Seward Exchange and Verizon Pennsylvania Inc.'s ("Verizon PA") New Florence Exchange.

The Company indicates that this filing will allow residence and business customers in its Seward exchange to make the calls to the New Florence exchange of Verizon PA free of a toll charge. However, initially, the customers have to pay a surcharge of \$1.00 per month for a total of 24 months. After 24 months, the surcharge will be removed.

This filing is being filed to comply with our Order entered January 20, 2005, at Docket No. C-20030153, *et al.*, which requires the Company to implement the EAS between its Seward exchange and Verizon PA's New Florence exchange, subject to: (1) a poll of its Seward exchange's customers,<sup>1</sup> as provided for under 52 Pa. Code §63.75, and (2) a monthly surcharge of \$1.00 described above.

We note here that in approving the Company's instant filing, we shall also direct all CLECs operating in the Verizon North service area whose tariffs contain the Seward exchange, to file a compliance tariff supplement, in accord with our Global Settlement Order which states:<sup>2</sup>

When a CLEC offers local exchange service to customers within a given ILEC exchange, all pre-existing ILEC EAS routes will be implemented by the CLEC. Neither the ILEC nor the CLECs may assess toll access charges for originating and terminating calls that terminate to a CLEC customer located in the pre-existing local calling areas of the originating customer or any future expanded calling areas. Nothing in this section is intended to prevent CLECs or ILECs from offering innovative calling plans which include local calling areas that differ from existing ILEC local calling areas.

---

<sup>1</sup> Polling result showed that 58.88% of the Seward exchange's customers voted in the customer poll. It also showed that 56.27% of the voters voted in favor of the EAS.

<sup>2</sup> See Section VIII. C. Calling Areas Disposition, of the *Global Order*, Docket Nos. P-00991648 and P-00991649, entered September 30, 1999.

## CONCLUSION

Upon our review of the Company's instant filing, it does not appear that this filing is unreasonable or contrary to the public interest. Therefore, we shall hereby approve the Company's filing. However, approval of this filing does not constitute a determination that such filing is consistent with the public interest, and that the associated rates and charges and costs are reasonable and prudent for the purposes of making rates. Furthermore, we shall also require all applicable CLECs to file the compliance tariff supplements implementing this instant EAS accordingly, consistent with the foregoing discussion; **THEREFORE,**

### **IT IS ORDERED:**

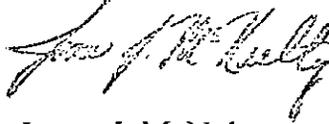

1. That Verizon North Inc.'s proposed tariff revisions, filed on July 8, 2005, at Docket No. R-00050740, to the Company's tariff Telephone-Pa. P.U.C. No. 5, to become effective on November 1, 2005, implementing the EAS between its Seward exchange and Verizon Pennsylvania Inc.'s New Florence exchange, is approved, consistent with this Order.
2. That all CLECs operating in Verizon North's service area whose tariffs contain Verizon North's Seward exchange shall immediately file the compliance tariff supplements implementing this instant EAS, consistent with this Order.
3. That the compliance tariff supplements shall be filed to become effective on November 1, 2005.
4. That Verizon North Inc. and all of the applicable CLECs shall also notify their affected customers by bill inserts regarding this instant EAS.

5. That a copy of this Order shall be served upon the Office of Consumer Advocate, all parties to the consolidated proceeding at Docket Nos. C-20030153, C-20030263, C-20030275, C-20030427, C-20030428, C-20030702, and C-20030994, and all of the applicable CLECs discussed above.

6. That this Order is without prejudice to any formal complaints timely filed against this proposed tariff filing.

7. That this case be, and hereby is, marked closed.

James J. McNulty  
Secretary
