**Re: Michael Williams v. PECO Energy Company  
PUC Docket No. : F-2012-2324822**

Dear Mr. Williams:

Per our conversation today at the hearing before Administrative Law Judge Angela Jones, this letter confirms the settlement of the above-referenced Public Utility Commission (PUC) Complaint. As the parties desire to amicably resolve the dispute without the need for further litigation, PECO Energy has agreed to resolve your formal complaint as follows:

- (1) PECO Energy will permit you to apply for the Customer Assistance Program ("CAP") immediately. Kindly submit a completed CAP application and income verification to the attention of Dana McCollum;
- (2) PECO Energy has issued you a twenty-four (24) month payment agreement. Under the agreement, you are to pay \$93.88 per month plus your current utility bill.
- (3) The tampering fee has been absorbed within the payment agreement. Accordingly, if you pay the \$93.88 per month, this fee will be resolved.
- (4) There is no public record of the tampering allegations or tampering charge;

This letter memorializes the entire agreement between Michael Williams and PECO Energy Company. Any other terms or promises, written or oral, not in the body of this letter will not be a part of this settlement agreement and, therefore, will be void.

**If you have any questions, please do not hesitate to contact me or Dana McCollum at 215-841-6401.**
