I am writing this letter for the purpose of reinstatement. The operating authority of, Reading Metro Taxi was cancelled because an assessment was not paid.

DOCUMENT

The assessment was paid to Mr. Stancavage. Approx. a month ago I then sent a letter of this same type which at this point can not be found.

I would hope that this matter can be cleared up quickly so I can get the fleet to normal strength, at this point I cannot renew any license tags.

Thank You
