7. FINANCIAL FITNESS

a. **BONDING:** In accordance with 66 Pa. C.S. Section 2809(c)(1)(i), the Applicant is required to file a bond or other instrument to ensure its financial responsibilities and obligations as an EGS. Therefore, the Applicant is...

- Furnishing the **original** (along with copies) of an initial bond, letter of credit or proof of bonding to the Commission in the amount of \$250,000.
- Furnishing the **original** (along with copies) of another initial security for Commission approval, to ensure financial responsibility.
- X Filing for a modification to the \$250,000 requirement and furnishing the **original** (along with copies) of an initial bond, letter of credit or proof of bonding to the Commission in the amount of \$10,000. Applicant is required to provide information supporting an amount less than \$250,000. Such supporting information must include indication that the Applicant will not take title to electricity and will not pay electricity bills on behalf of its customers. Further details for modification may be described as well.

- *At the conclusion of Applicant's first year of operation it is the intention of the Commission to tie security bonds to a percentage of Applicant's gross receipts resulting from the sale of generated electricity consumed in Pennsylvania. The amount of the security bond will be reviewed and adjusted on an annual basis.*
- *Example version of a bond and letter of credit are attached at Appendix D & E, Applicant's security must follow language from these examples.*
- *Any deviation from these examples must be identified in the application and may not be acceptable to the Commission.*
- **Please see attachment H**

b. **FINANCIAL RECORDS, STATEMENTS, AND RATINGS:** Applicant must provide sufficient information to demonstrate financial fitness commensurate with the service proposed to be provided. Examples of such information which may be submitted include the following:

- Actual (or proposed) organizational structure including parent, affiliated or subsidiary companies.
- Published Applicant or parent company financial and credit information (i.e. 10Q or 10K). (SEC/EDGAR web addresses are sufficient)

- Applicant's accounting statements, including balance sheet and income statements for the past two years.
- Evidence of Applicant's credit rating. Applicant may provide a copy of its Dun and Bradstreet Credit Report and Robert Morris and Associates financial form, evidence of Moody's, S&P, or Fitch ratings, and/or other independent financial service reports.
- A description of the types and amounts of insurance carried by Applicant which are specifically intended to provide for or support its financial fitness to perform its obligations as a licensee.
- Audited financial statements exhibiting accounts over a minimum two year period.
- Bank account statement, tax returns from the previous two years, or any other information that demonstrates Applicant's financial fitness. **Please see attachment I**

c. **ACCOUNTING RECORDS CUSTODIAN:** Provide the name, title, address, telephone number, FAX number, and e-mail address of Applicant's custodian for its accounting records.

d. **TAXATION:** Complete the TAX CERTIFICATION STATEMENT attached as Appendix F to this application.

All sections of the Tax Certification Statement must be completed. Absence (submitting N/A) of any of the TAX identifications numbers (items 7A through 7C) shall be accompanied by supporting documentation or an explanation validating the absence of such information.

Items 7A and 7C on the Tax Certification Statement are designated by the Pennsylvania Department of Revenue. Item 7B on the Tax Certification Statement is designated by the Internal Revenue Service.

8. TECHNICAL FITNESS:

To ensure that the present quality and availability of service provided by electric utilities does not deteriorate, the Applicant shall provide sufficient information to demonstrate technical fitness commensurate with the service proposed to be provided.

a.) **EXPERIENCE, PLAN, STRUCTURE:** such information may include:
Please see attachment J

- Applicant's previous experience in the electricity industry.
- Summary and proof of licenses as a supplier of electric services in other states or jurisdictions.
- Type of customers and number of customers Applicant currently serves in other jurisdictions.
- Staffing structure and numbers as well as employee training commitments.
- Business plans for operations within the Commonwealth.

- Documentation of membership in PJM, ECAR, MAAC, other regional reliability councils, or any other membership or certification that is deemed appropriate to justify competency to operate as an EGS within the Commonwealth.
- Any other information appropriate to ensure the technical capabilities of the Applicant.

b.) OFFICERS: Identify Applicant's chief officers including names and their professional resumes.
Please see attachment K

c.) FERC FILING: Applicant has:

- Filed an Application with the Federal Energy Regulatory Commission to be a Power Marketer.
- Received approval from FERC to be a Power Marketer at Docket or Case Number _____.
- Not applicable

9. DISCLOSURE STATEMENT:

a. Disclosure Statements: If proposing to serve Residential and/or Small Commercial (under 25 kW) customers, provide a Residential and/or Small Commercial disclosure statement. A sample disclosure statement is provided as Appendix G to this Application.

- Electricity should be priced in clearly stated terms to the extent possible. Common definitions should be used. All consumer contracts or sales agreements should be written in plain language with any exclusions, exceptions, add-ons, package offers, limited time offers or other deadlines prominently communicated. Penalties and procedures for ending contracts should be clearly communicated.

10. VERIFICATIONS, ACKNOWLEDGEMENTS, AND AGREEMENTS

a. PJM LOAD SERVING ENTITY REQUIREMENT: As a prospective EGS, the applicant understands that those EGSs which provide retail electric supply service (i.e. takes title to electricity) must provide either:

- proof of registration as a PJM Load Serving Entity (LSE), or
- proof of a contractual arrangement with a registered PJM LSE that facilitates the retail electricity services of the EGS.

The Applicant understands that compliance with this requirement must be filed within 120 days of the Applicant receiving a license. As well, the Applicant understands that compliance with this requirement may be filed with this instant application.

(Select only one of the following)

- AGREED - Applicant has included compliance with this requirement in the instant application, labeled in correspondence with this section (10).
- AGREED - Applicant will provide compliance with this requirement within 120 days of receiving its license
- ACKNOWLEDGED - Applicant is not proposing to provide retail electric supply service at this time, and therefore is not presently obligated to provide such information

b. STANDARDS OF CONDUCT AND DISCLOSURE: As a condition of receiving a license, Applicant agrees to conform to any Uniform Standards of Conduct and Disclosure as set forth by the Commission. Further, the Applicant agrees that it must comply with and ensure that its employees, agents, representatives, and independent contractors comply with the standards of conduct and disclosure set out in Commission regulations at 52 Pa. Code § 54.43.

AGREED

c. REPORTING REQUIREMENTS: Applicant agrees to provide the following information to the Commission or the Department of Revenue, as appropriate:

- Retail Electricity Choice Activity Reports: The regulations at 52 Pa. Code §§ 54.201–54.204 require that all active EGSs report sales activity information. An EGS will file an annual report reporting for customer groups defined by annual usage. Reports must be filed using the appropriate report form that may be obtained from the PUC's Secretary's Bureau or the forms officer, or may be down-loaded from the PUC's internet web site.
- Reports of Gross Receipts: Applicant shall report its Pennsylvania intrastate gross receipts to the Commission on a quarterly and year to date basis no later than 30 days following the end of the quarter.
- The Treasurer or other appropriate officer of Applicant shall transmit to the Department of Revenue by March 15, an annual report, and under oath or affirmation, of the amount of gross receipts received by Applicant during the prior calendar year.
- Applicant shall report to the Commission the percentages of total electricity supplied by each fuel source on an annual basis:
- Applicant will be required to meet periodic reporting requirements as may be issued by the Commission to fulfill the Commission's duty under Chapter 28 pertaining to reliability and to inform the Governor and Legislature of the progress of the transition to a fully competitive electric market.

AGREED

d. TRANSFER OF LICENSE: The Applicant understands that if it plans to transfer its license to another entity, it is required to request authority from the Commission for permission prior to transferring the license. See 66 Pa. C.S. Section 2809(D). Transferee will be required to file the appropriate licensing application.

AGREED

e. **ASSESSMENT:** The Commission does not presently assess Electric Generation Suppliers for the purposes of recovery of regulatory expenses; see *PPL Energyplus, LLC v. Commonwealth*, 800 A.2d 360 (Pa. Cmwlth. 2002).

X ACKNOWLEDGED

f. **FURTHER DEVELOPMENTS:** Applicant is under a continuing obligation to amend its application if substantial changes occur to the information upon which the Commission relied in approving the original filing. See 52 Pa. Code § 54.34.

X AGREED

g. **FALSIFICATION:** The Applicant understands that the making of false statement(s) herein may be grounds for denying the Application or, if later discovered, for revoking any authority granted pursuant to the Application. This Application is subject to 18 Pa. C.S. §§4903 and 4904, relating to perjury and falsification in official matters.

X AGREED

h. **NOTIFICATION OF CHANGE:** If your answer to any of these items changes during the pendency of your application or if the information relative to any item herein changes while you are operating within the Commonwealth of Pennsylvania, you are under a duty to so inform the Commission, within twenty (20) days, as to the specifics of any changes which have a significant impact on the conduct of business in Pennsylvania. See 52 Pa. Code § 54.34.

X AGREED

i. **CEASING OF OPERATIONS:** Applicant is also required to officially notify the Commission if it plans to cease doing business in Pennsylvania, 90 days prior to ceasing operations.

X AGREED

j. **Electronic Data Interchange:** The Applicant acknowledges the Electronic Data Interchange (EDI) requirements and the relevant contacts for each EDC, as listed at appendix J.

X AGREED

k. **FEE:** The Applicant has enclosed or paid the required initial licensing fee of \$350.00 payable to the Commonwealth of Pennsylvania.

X PAYMENT ENCLOSED

11. AFFIDAVITS

- a.) **APPLICATION AFFIDAVIT:** Complete and submit with your filing an officially notarized Application Affidavit stating that all the information submitted in this application is truthful and correct. An example copy of this Affidavit can be found at Appendix A. **Please See Attachment L**
- b.) **OPERATIONS AFFIDAVIT:** Provide an officially notarized affidavit stating that you will adhere to the reliability protocols of the North American Electric Reliability Council, the appropriate regional reliability council(s), and the Commission, and that you agree to comply with the operational requirements of the control area(s) within which you provide retail service. An example copy of this Affidavit can be found at Appendix B. **Please see Attachment M**

12. NEWSPAPER PUBLICATIONS

Notice of filing of this Application must be published in newspapers of general circulation covering each county in which the applicant intends to provide service. Below is a list of newspapers which cover the publication requirements for Electric Generation Suppliers looking to do business in Pennsylvania.

The newspapers in which proof of publication is required is dependent on the service territories the applicant is proposing to serve. The chart below dictates which newspapers are necessary for each EDC. If the applicant is proposing to serve the entire Commonwealth, please file proof of publication in all seven newspapers.

Please file with the Commission the Certification of Publication, along with a photostatic copy of the notice to complete the notice requirements.

Proof of newspaper publications must be filed with the initial application. Applicants **do not** need a docket number in their publication. Docket numbers will be issued when all criteria on the item 14 checklist (see below) are satisfied. **Please see Attachment N**

Proposed Services

12/12/2012

Best Practice Energy LLC intends to offer commercial electricity brokerage/consulting services. Best Practice Energy's services include the review of commercial retail electric supply options. We will work with the customers to understand their supply needs and budgetary goals. We will facilitate competitive RFP's and competition among licensed competitive electric supplier to identify the best pricing available in the market for electric supply contracts matching the customer with a competitive supplier that will provide the customer with customer's desired pricing, terms and conditions. We will facilitate commercial electric supply contracts between the end user (customer) and competitive suppliers. Once the customer contracts with a chosen supplier, we will provide detailed prospective and analysis displaying the performance of the supply contract relative to the market and current utility rates on a monthly or quarterly basis depending on the customer's preference.

Technical Fitness

12/12/2012

Our President Bryan Yagoobian has 9 years' experience in the utility industry. We are licensed in CT, MA, ME, NH and RI. We have helped retail customers understand all the components of a contract price/product, utility procurement and competitive electric supply options in all of these markets. We work with suppliers and customers to identify the very best solution for each customer based on their material usage requirements, risk tolerance and budgetary needs. We examine, load factors, RMR costs, Capacity costs etc. to determine the most suitable product, term etc. for each customer. When building a procurement strategy with a customer we explore all facets of the market. We study and understand the regulations, coal to gas switching, exportation or LNG and its projected impact on power pricing. RMR costs, current Capacity costs, future Capacity auctions etc. Outside industry influences are also in focus when looking at options. PJM market is complex and will require our ongoing market comprehension model to best perform for our customers.

Our representatives and sales personnel are put through a rigorous training and ongoing education. We mandated that each representative is up-to-date on utility procurement practices, current utility rates and all current market information. We pride ourselves on having the most current industry news and trends and delivering this intelligence to the customer to help them make the most informed decisions.

Our marketing plan in PA is going to be based on establishing network marketing. We intend to join various Chambers of Commerce, Associations and other group in an effort to meet business owners and decision makers. We also have several multi location current customers that have locations in PA that up until now we have not been able to address. The commission should note we do not utilize and do not intend to utilize any mass marketing and telemarketing services. The majority of our current business is generated by referral.

Sincerely,
