RE: A-00099448, V.I.R. 3095

Dear Mr. Lauver;

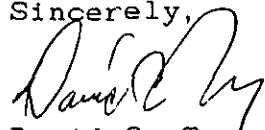

In response to your letter dated October 13, 1992 I am enclosing a written explanation as well as ticket copies of the load in question.

Mr. Stan Soose, who is no longer leased to Toy Trucking Company, was hauling a load from the Amerikohl Willets job in Fairview Twp, Butler County to the Penn Power New Castle plant. The address at the top of the Amerikohl ticket #54050 is the business address; the individual jobs are listed by name only.

I unfortunately cannot speak for Mr. Soose concerning the situation of not presenting the proper lease signs or lease contract. I can, however, state that he was given a contract and the proper materials in which to mark his truck. Any further explanation will have to come from Mr. Soose himself.

I hope the above data can help to resolve this matter. If at any time you have any additional questions please don't hesitate to give me a call. Thank you for your time.

Sincerely,

David C. Toy
