O R D E R

BY THE COMMISSION:

By application docketed June 13, 1985, Mooney's Relocation Specialists, Inc., a corporation of the Commonwealth of Pennsylvania, seeks approval of the transfer to it of all the right granted to Michael A. DeSteffano, Jr., t/d/b/a Mooney's Moving, under the certificate issued at A-00101681, F. 2.

We find the applicant to be fit to hold a certificate of public convenience and that approval of the application is necessary and proper for the continuation of service to the public; THEREFORE,

IT IS ORDERED: That the application for the transfer of right held by Michael A. DeSteffano, Jr., t/d/b/a Mooney's Moving at A-00101681, F. 2 be approved and that a certificate be issued to the applicant granting the following right:

To transport, as a Class D carrier, household goods, personal effects and property used or to be used in a dwelling when a part of the furnishings, equipment or supplies of such dwelling, as an incidental part of a removal by the householder from one domicile to another; furniture, fixtures, equipment and the property of stores, offices, museums, institutions, hospitals or other establishments when a part of the stock, equipment or supply of such stores, offices, museums, institutions, hospitals or other establishments, in connection with a removal from one location to another; and articles including objects of art, displays and exhibits which

because of their unusual nature or value require specialized handling and equipment usually employed in moving household goods, between points in the village of Glenside, Montgomery County, and within twenty (20) miles by the usually traveled highways of the limits of said village and territory to other points in Pennsylvania within an airline distance of one hundred (100) miles of the Philadelphia City Hall;

subject to the following conditions:

1. That the approval hereby given is not to be understood as committing the Commission, in any proceedings that may be brought before it for any purpose, to fix a valuation on the property and right to be acquired by applicant from the present certificate holder equal to the consideration to be paid therefor, or equal to any value that may be placed thereon by applicant, or to approve or prescribe rates sufficient to yield a return thereon.
2. That applicant shall not record in its utility accounts any amount representing the right herein granted, in excess of the actual cost of such right to the original holder thereof.
3. That the accounts of the transferee shall reflect the same book values as the records of the transferor at the effective date of the transfer, any previously recorded appreciation having been deleted therefrom; provided that the applicant shall not record in its utility accounts any amounts representing the right herein granted in excess of the actual cost of such right to the original holder thereof.
4. That the operating authority granted herein, or now held or subsequently granted to the applicant to the extent that it is duplicative shall not be construed as conferring more than one operating right.
5. That the certificate holder shall comply with all of the provisions of the Public Utility Law as now existing or as may hereafter be amended, and Pa. Code Title 52, Chapter 31, as now existing or as may hereafter be amended, and any other rules and regulations as may hereafter be prescribed by the Commission. Failure to comply shall be sufficient cause to suspend, revoke or rescind the rights and privileges conferred by the certificate.

6. That the certificate holder shall not transfer, sell or in any way convey any of its outstanding capital stock to any individual, partnership, corporation or any entity, without the prior filing of an application and approval thereof by the Commission under Section 1102(3) of Title 66, PA C.S.A.

IT IS FURTHER ORDERED: That the applicant shall not engage in any transportation granted herein until it has complied with the requirements of the Pennsylvania Public Utility Law and the rules and regulations of this Commission relative to the filing and acceptance of evidence of insurance and a tariff establishing just and reasonable rates.

IT IS FURTHER ORDERED: That in the event said applicant has not, on or before sixty (60) days from the date of the service of this order, complied with the requirements hereinbefore set forth, the application shall be dismissed without further proceedings.

IT IS FURTHER ORDERED: That upon compliance with this order the right granted the transferor, Michael A. DeSteffano, Jr., t/d/b/a Mooney's Moving, at A-00101681, F. 2 be cancelled and the record be marked closed.
