PPL Electric Utilities Corporation (hereafter "PPL Electric"), by its attorney, hereby makes application pursuant to 66 Pa. C.S. § 1102(a)(3) for the approval of a transfer by sale of certain facilities, and in support thereof states:

1. 3. Waste Management of Pennsylvania (hereafter "Waste Management"), a Pennsylvania corporation located in Cumberland County, Pennsylvania, is not affiliated with PPL Electric.

4. Waste Management desires to purchase all of PPL Electric's rights, title and interest in certain street light facilities as detailed in Exhibit A of the Agreement. The purchase of these facilities will result in a reduction in Waste Management's annual electric bill payments to PPL Electric.

5. PPL Electric will recover the present day depreciated cost of these facilities and will no longer be responsible for maintenance thereof.

6. PPL Electric agreed to sell and Waste Management agreed to purchase the facilities for \$16,025, representing the present day depreciated cost of the facilities. Attachment 1, which is attached hereto and made a part hereof, contains the Agreement of Sale and a description of facilities.

7. The facilities' original cost, original depreciated cost, present day cost, and present day depreciated cost are as follows:

	<u>Other Facilities</u>	<u>Total</u>
Original Cost Undepreciated	\$21,635	\$21,635
Original Cost Depreciated	13,960	13,960
Present Day Cost Undepreciated	48,700	48,700
Present Day Cost Depreciated	16,025	16,025

8. The sales price is the result of arms-length negotiations.

9. PPL Electric's engineering and operating representatives have reviewed the proposed sale of facilities and their relation to PPL Electric's operations. PPL Electric is satisfied as to the adequacy, continuity, safety of service, and other relevant factors concerning electrical supply to Waste Management.

10. Approval of this application is necessary and proper for Waste Management to take service in a manner which does not: result in uneconomic removal expenditures to PPL Electric, cause duplication of facilities, or render PPL Electric's existing facilities less valuable. The application also recognizes Waste Management's right to service on the most favorable and economic basis under PPL Electric's retail tariff.

11. Attachment 2, which is attached hereto and made a part hereof, contains PPL Electric's responses to the Commission's Interrogatories concerning applications filed pursuant to 66 Pa. C.S. § 1102.

WHEREFORE, in view of the foregoing, PPL Electric respectfully requests that the Pennsylvania Public Utility Commission approve the above-captioned application for transfer of facilities by sale.

Respectfully submitted,

Response:

1. See Exhibit A of Application Attachment 1.

building equipment, which are considered to be part of the property for sale, lease or transfer.

Response:

2. See Exhibit A of Application Attachment 1.

Question:

3. State whether or not the sale, lease or transfer of the property will affirmatively promote the service, accommodation, convenience or safety of the public in some substantial way. Explain.

PPL Electric Utilities Corporation (hereafter "PPL Electric") and its customers will be benefited by no longer maintaining the transferred facilities.

Question:

4. State the reason for the sale, lease or transfer of property.

Response:

4. Waste Management requested the transfer to decrease electric power costs.

Question:

5. State the alternatives that PPL Electric has considered to the prospective sale, lease or transfer.

5. PPL Electric did not consider any alternatives to the proposed sale because it is most efficient and in the public interest for the customer to receive service under the most advantageous applicable tariff provisions.

Question:

6. State whether or not the sale, lease or transfer of this property will result in an interruption or curtailment of existing services to the public. Explain.

Response:

6. The proposed sale will not result in an interruption or curtailment of existing services to the public.

Question:

7. State whether or not the sale, lease or transfer of this property will result in either a staff reduction or a termination of some portion of PPL Electric's operation. Explain.

Response:

7. The sale involves a minor portion of PPL Electric's assets and will not cause a staff reduction or a termination of any of PPL Electric's operations.

Question:

Response:
