APPLICATION OF
PPL ELECTRIC UTILITIES CORPORATION

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

PPL Electric Utilities Corporation (hereafter "PPL Electric"), by its attorney, hereby makes application pursuant to 66 Pa. C.S. § 1102(a)(3) for the approval of a transfer by sale of certain facilities, and in support thereof states:

1. Applicant is PPL Electric Utilities Corporation, Two North Ninth Street, Allentown, Pennsylvania 18101, a public utility incorporated in Pennsylvania for the purpose of supplying light, heat and power to the public by means of electricity in all or portions of twenty-nine counties in eastern-central Pennsylvania.
2. The name and address of PPL Electric's attorney is Paul E. Russell, Two North Ninth Street, Allentown, Pennsylvania 18101.
3. Lehigh University (hereafter "Lehigh"), a Pennsylvania corporation located in Northampton County, Pennsylvania, is not affiliated with PPL Electric.

DOCKETED

JUL 06 2005

4. Lehigh desires to purchase all of PPL Electric's rights, title and interest in certain electric distribution facilities located in the City of Bethlehem as detailed in Exhibit A of the Agreement. The purchase of these facilities will result in a reduction in Lehigh's annual electric bill payments to PPL Electric.

5. PPL Electric will recover the present day depreciated cost of these facilities and will no longer be responsible for maintenance thereof.

6. PPL Electric agreed to sell and Lehigh agreed to purchase the facilities for \$7,825, representing the present day depreciated cost of the facilities. Attachment 1, which is attached hereto and made a part hereof, contains the Agreement of Sale and a description of facilities.

7. The facilities' original cost, original depreciated cost, present day cost, and present day depreciated cost are as follows:

	<u>Other Facilities</u>	<u>Transformer</u>	<u>Total</u>
Original Cost Undepreciated	\$3,450	\$8,650	\$12,100
Original Cost Depreciated	235	1,870	2,105
Present Day Cost Undepreciated	11,390	33,000	44,390
Present Day Cost Depreciated	695	7,130	7,825

8. The sales price is the result of arms-length negotiations.

9. PPL Electric's engineering and operating representatives have reviewed the proposed sale of facilities and their relation to PPL Electric's operations.

PPL Electric is satisfied as to the adequacy, continuity, safety of service, and other relevant factors concerning electrical supply to Lehigh.

10. Approval of this application is necessary and proper for Lehigh to take service in a manner which does not: result in uneconomic removal expenditures to PPL Electric, cause duplication of facilities, or render PPL Electric's existing facilities less valuable. The application also recognizes Lehigh's right to service on the most favorable and economic basis under PPL Electric's retail tariff.

11. Attachment 2, which is attached hereto and made a part hereof, contains PPL Electric's responses to the Commission's Interrogatories concerning applications filed pursuant to 66 Pa. C.S. § 1102.

WHEREFORE, in view of the foregoing, PPL Electric respectfully requests that the Pennsylvania Public Utility Commission approve the above-captioned application for transfer of facilities by sale.

Respectfully submitted,

PPL Electric Utilities Corporation

Paul E. Russell
Its Attorney
