To: Philadelphia gas works Utility Commission  
Judge Christopher P. Pell  
Rose Marie Chiavetta

From :Idanisis Rosa

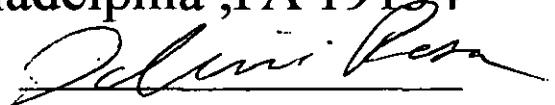

Before you close my case, I need to know if you can give me a payment plan, I couldn't make it to the hearing because I had the flu, I had a couple living in my house for a few months to help me with the bills that was around that time that the meter was tempter, I just found out that the male was the one who was messing with the meter behind my back, he told me he did it because he didn't want to pay to much on my gas bill, I didn't know about this situation until now, I want to be responsible with the company,

the fault... its mine for trusting people I shouldn't so all I'm asking for now is for an payment plan to restore my services, its been a very cold winter for me and my kids I am really sorry about this situation.

Please give me a chance to pay my bill and restore the services.

I have 3 asthmatics kids that need a warm house. Thank you and please, please try to understand my situation its not easy, I was fighting this case because I didn't know that that people was doing such a thing behind me. I am sorry for all the inconvenient.

Sincerely
