REPLY EXCEPTIONS

PECO Energy Company ("PECO Energy") hereby replies to the Exceptions filed by Alice Ann Belmonte-Gates ("Complainant") in the above-referenced matter on February 27, 2013. On October 19, 2012, Complainant filed a formal complaint against PECO Energy. In her formal complaint, Complainant ticked off the box "Other" and wrote "See attached."

There are no facts stated in Section 4(B) of the Complaint but rather a statement saying:

All documented with Judge L. Murphy
Judge L. Murphy
D.O.J Eric Holder
A.G. Eric Schneiderman
E.E.O.C. Miten Mayo Jr.
Judicial Watch: J. Lions
O.P.R. Robin Aston

In the formal complaint, the Complainant did not plead a remedy in paragraph 5, but wrote "See Attached!" The attachment submitted with the formal complaint contains gibberish related to Civil Federal Rights of Full Representation, Writs of Mandamus, Tax Id# 23-6298510. In addition, there is a reference to "assaults attacks and confiscations of [her] property to empty lots with regards to Chiefs of Police Mr. Mark Toomey and others. There is also reference to a False Claims Act and an abused by MicroSoft's Bill and Melinda Gates and MSNBC. See Formal Complaint, attached hereto as Exhibit "1". The formal complaint made no allegations against PECO Energy.

PECO Energy filed Preliminary Objections to the Complainant's formal complaint, requesting dismissal of the complaint for lack of specificity, or in the alternative, that the Complainant be directed to file an amended complaint. On December 5, 2012, Administrative Law Judge Joel H. Cheskis ("ALJ Cheskis") issued an Order consolidating a formal complaint filed by the Complainant against the Pennsylvania-American Water Company at docket number F-2012-2332589 and the formal complaint filed against PECO Energy Company at docket

number F-2012-2332583. On December 10, 2012, ALJ Cheskis issued an Order, granting PECO Energy's Preliminary Objections and directed the Complainant to file a more specific complaint. On December 20, 2012, PECO Energy received the Amended Complaint of the Complainant. See Amended Complaint, attached hereto as Exhibit "2".

The entire Amended Complaint is comprised of a written statement, stating: "Letters 12/04, 10,13/2012 and prior since "2002" 2007-0613 that involved all utilities abuses my entire life and that of my parents! SEE ATTACHED." Attached to this statement are letters, containing gibberish, which make no mention of PECO Energy Company or anything the company has done wrong. Specifically, the Amended Complaint states such things as: Deceased Judge Hodgesons now I believer Furber (sic) to me and Senor Judges Abuses of both and the Orphans "Boys Club Abuses' of the "AOPC" to abuse me of and with all of the Title 18 PA Crimes Codes." The pleading further states issues concerning "Collusions of Statutes and Acts of this Anti-Trust "Monopolies" themselves and to abuse me of this "Exempt Status" forced on me with and by deception as was the Issue of the Document never produced involving the Mother in Law I was forced to sign by her and her incompetent son for her and all this abuse to use my information and Legal Access all my information weather (sic) sealed or public to abuse me with this "Fraud" also that falls under the "False Claims Act" and this Fraud of my Identity and that of my deceased mother and Father who were also abused in this very same Manner involving these same exact issues." See Exhibit "2".

On December 21, 2012, PECO Energy filed Preliminary Objections to the Amended Complaint, requesting dismissal of the Amended Complaint for lack of specificity and for failure to state a claim upon which relief can be granted. On January 24, 2013, ALJ Cheskis issued an

Order and Initial Decision, granting PECO Energy's Preliminary Objections, wherein he held inter alia:

In this case, PAWC and PECO would not have the ability to answer Ms. Gates' Amended Complaint or prepare a defense given its unclear and verbose nature. This is true especially in light of PECO's contention that it conducted its own investigation prior to filing its Preliminary Objections and was still unable to determine the matter with which Ms. Gates complains. As noted in the December 10th Order, it is not even clear from a plain reading of Ms. Gates' original Complaints and her Amended Complainant that PECO and PAWC are the correct respondents. While PECO and PAWC could conduct discovery to elicit details of her Complaint sufficient to allow the Companies to answer the Amended Complainant and prepare a defense, in this case, it is clear that such actions would not be helpful. Even after being given a chance to amend her complaint and being made fully aware of the Commission's requirements for sufficient specificity of a complaint, it is not clear what discovery the Companies could serve that would allow them to answer the Amended Complainant and prepare a defense. Ms. Gates has failed to satisfy the requirements of Section 5.22(a)(5) and (6), supra, and therefore her Amended Complaint will be dismissed.

See ALJ Cheskis, Initial Decision, dated 01/24/13, attached hereto as Exhibit "3".

The Commission should sustain the Initial Decision of ALJ Cheskis. First, the Complainant's exceptions are procedurally improper and should be dismissed under that basis alone. Pursuant to 52 Pa. Code 5.533(b), "[e]ach exception must . . . identify the finding of fact or conclusion of law to which exception is taken and cite relevant pages of the decision," and "[s]upporting reasons for the exceptions shall follow each specific exception." Complainant's attempt to further litigation in this matter by filing additional unintelligible statements without

identifying any specific error of law or abuse of discretion fails to satisfy the requirements is procedurally improper and should be dismissed summarily.

Second, Complainant's Exceptions appear to mimic both the first formal complaint and the Amended Complaint she filed. There are allegations of federal abuses and abuses of the Complainant's income by various individuals, including a claim made under the False Claims Act, all of which are unintelligible and make no allegations against PECO Energy or any improper ruling by ALJ Cheskis. Specifically, the Complainant states:

Rights of my assets from this Fraud and Abuse of O'Connell & Associates and The first set of fraudulent Guardians Winthrop Haas...to live and move freely which I am clearly being denied and abused of my funds and ALL my FREEDOMS of the my American Constitution of and with Full and Ethical and Effective and Fair; Human; Parental; Equal; Union rights of any representations free from this Social Greed and Social Injustice.

See Complainant's Exceptions, attached hereto as Exhibit "4".

Like the Complainant's incoherent formal complaint and Amended Complaint, these exceptions have nothing to do with the formal complaint the Complainant brought against PECO Energy and there are no allegations that ALJ Cheskis made an error of law or abused his discretion in any manner.

Third, the Complainant alleges in her exceptions:

This Notice of Cancellation by the PUC I did retrieve off the Internet today that I did not ever receive VIA in the Mail as I was waiting for this Phone hearing this morning 02-26-2013 10:00 AM. I did phone this Judge at office of the required telephone # of Notice 1-717-787-1399 of Judge J.H. Cheskis and my leaving a message Stating this at 10:30 AM this Morning and stating this: that I received no phone call...please return my call A.S.A.P. and I then received his return call when on the Bus to the court house to attain my Septa Trail Pass I explained the information I did Receive to amend my appeal never any notices of this court order of Cancellations or that for any motions or of any exceptions or any court orders he did verify my address and I verified My P.O. Box with him and because of the issue of Owner and Title of this Property and I again explained to him your Court Order of February 04, 2013 of my Rights of Representation and the Abuses that continue of this Fraud

of any Information of mine that I am Not and never have been A Credentialed Attorney and that the facts of all my information Verified Evidentiary Actual Paper Trail of ALL My Facts.

See Exhibit “4”.

Complainant appears to allege as an Exception that she did not receive notice of the cancellation of the February 26, 2013 hearing. A hearing cancellation notice, dated February 1, 2013 was sent to the all of the parties, including the Complainant. See Hearing Cancellation Notice, attached hereto as Exhibit “5”. The notice was addressed to the Complainant at 1007 North Forrest Avenue, West Norristown, PA 19401. The address listed in the hearing notice is the same address the Complainant has listed in her formal complaint and Amended Complaint. The hearing notice was not returned by the United States Postal Service as undeliverable. The notice is therefore presumed to have been received. See Brown v. PECO Energy, at 7 (“Notice mailed to a party’s last known address and not returned by the post office is presumed to have been received.”) (citing Meierdierck v. Miller, 394 Pa. 484 (Pa. 1959), among others).

In her Exceptions, the Complainant notes the telephone number provided by ALJ Cheskis in a Telephone Hearing Notice issued on December 27, 2012. The Telephone Hearing Notice was mailed to the Complainant at the same address listed in the Hearing Cancellation Notice and in her formal complaint and Amended Complaint. This indicates there were no issues with the postal service delivering the notice to the wrong address. Yet inexplicably, the Complainant does not receive the Hearing Cancellation Notice at the same address. The fact that she received the Telephone Hearing Notice implicitly raises the presumption that she received the Hearing Cancellation Notice.

Finally, in her exceptions, the Complainant attaches: (1) An Order dated February 4, 2013 by the Montgomery County Court of Common Pleas, Orphans’ Court, which states that the Complainant (Alice Ann Belmonte-Gates) is an incapacitated person; (2) a Newspaper article

titled "Death and Taxes: A Primer on the Pennsylvania Inheritance Tax" dated March 1, 2013; (3) a Montgomery County Court of Common Pleas divorce case titled Richard T. Gates v. Alice Gates at docket number 2002-16369; and (4) a Montgomery County Court of Common Pleas support case titled Alice Gates v. Richard Gates at docket number 2002-15665. See Attachments in Complainant's Exceptions, attached hereto as Exhibit "6".

The above Orphans' Court Order, Newspaper article, and divorce and support dockets have nothing to do with the formal complaint and Amended Complaint filed against PECO Energy. Much like the Complainant's formal complaint and Amended Complaint, which were correctly dismissed by ALJ Cheskis, these documents are irrelevant to any alleged violation by PECO Energy and do not state any basis for overturning ALJ Cheskis' Initial Decision.

The remaining allegations in the Complainant's exceptions, are equally unintelligible and do not warrant a response, or serve as a basis for overturning ALJ Cheskis' Initial Decision. ALJ Cheskis correctly concluded, that the Complainant's Amended Complaint does not satisfy the requirement of Section 5.22(a)(5) and (6). Accordingly, ALJ Cheskis' decision to dismiss the Complainant's case against PECO Energy should be upheld.

For the reasons set forth above, PECO respectfully requests that the Commission deny the Exceptions and issue an Order upholding the Initial Decision in its entirety.

Respectfully submitted,

INITIAL DECISION

Before
Joel H. Cheskis
Administrative Law Judge

HISTORY OF THE PROCEEDING

On October 19, 2012, Alice Ann Belmonte-Gates filed two formal Complaints with the Pennsylvania Public Utility Commission (Commission). In section 2 of the Complaint form asking for "Full Name of the Utility Company (Respondent):" Ms. Gates wrote "Ms. Heather Green" on one Complaint and left that section blank on the other Complaint. In section 3 of the Complaint form asking for "Type of Utility (check one)," Ms. Gates checked every utility type except for steam heat on both Complaints. Attached to both Complaints were what appears to be, if not in fact are, identical two-page, single-spaced attachments that are intended to explain Ms. Gates' Complaints. The Commission's Secretary's Bureau served the Complaint identifying "Ms. Heather Green" as the Respondent on PECO Energy Company (PECO), at docket number F-2012-2332583, and served the Complaint that had Section 2 blank on the Pennsylvania American Water Company

(PAWC) at docket number F-2012-2332589. Previously, Ms. Gates filed informal complaints with the Commission's Bureau of Consumer Services involving PECO and PAWC, case numbers 3026921 and 3026947.

Both PECO and PAWC filed Preliminary Objections in response to the respective Complaints served on them. In its Preliminary Objections, PAWC argued that Ms. Gates is requesting relief awarded by federal courts to which the Commission lacks subject matter jurisdiction. PAWC also argued that Ms. Gates' Complaint is insufficiently specific and that the Company does not have sufficient notice as to the nature of the allegations against it and cannot, therefore, adequately respond. Similarly, in its Preliminary Objection, PECO argued that Ms. Gates did not provide sufficient information in her Complaint to permit the Company to provide a meaningful response or address Ms. Gates' concerns. PECO further averred that it conducted an independent investigation to determine the issues Ms. Gates is alleging but was still unable to respond to the Complaint.

By separate Motion Judge Assignment Notices dated November 21, 2012, Ms. Gates and PAWC were informed that I was assigned as the Presiding Officer in the matter involving the Complaint served on PAWC and responsible for resolving any issues which may arise during the preliminary phase of that proceeding and Ms. Gates and PECO were informed that Administrative Law Judge Kandace F. Melillo was assigned as the Presiding Officer in the matter involving the Complaint served on PECO and responsible for resolving any issues which may arise during the preliminary phase of that proceeding. On November 27, 2012, both ALJ Melillo and I received a six-page, single-spaced document with a one page attachment. Both documents had listed at the top the docket numbers for both Complaints. Both documents appear to be identical with identical attachments and presumably were Ms. Gates' Answers to the Preliminary Objections filed by PECO and PAWC.

By Order dated December 4, 2012, the Complaint against PECO and the Complaint against PAWC were consolidated pursuant to Section 5.81 of the Commission's rules governing consolidation of proceedings due to the common issues of fact between the two Complaints and the determination that consolidation would avoid unnecessary costs or delay.

By Order dated December 10, 2012, the Preliminary Objections filed by PECO and PAWC were granted and Ms. Gates was directed to file and serve an Amended Complaint within thirty days raising a well pleaded material fact over which the Commission has jurisdiction. Furthermore, upon timely filing and service of the Amended Complaint, PECO and PAWC were directed to file and serve a timely responsive pleading.

On December 17, 2012, Ms. Gates filed an Amended Complaint in the consolidated proceeding. Ms. Gates' Amended Complaint comprised a twenty page, single-spaced document detailing numerous issues of which she is complaining about. As discussed further below, Ms. Gates' Amended Complaint included unclear and verbose statements regarding issues such as "Breach of Contract," "malfeasance of banks," "Orphans Court," "Title 18 of the PA Crimes Code" and "Tax Fraud Scheme," all of which were alleged on only the first page.

On December 21, 2012, PECO filed another Preliminary Objection. The Preliminary Objection contained a Notice to Plead. In its Preliminary Objection, PECO stated that Ms. Gates' Amended Complaint should be dismissed for failure to state a claim upon which relief can be granted and for violating the December 10, 2012 Order directing Ms. Gates to file a more specific Amended Complaint. PECO argued that Ms. Gates' Amended Complaint should be dismissed because it did not conform to Section 5.22(a)(5) of the Commission's regulations which requires formal complaints to set forth a clear and concise statement of the act or omission being complained of. PECO added that a complaint should be specific enough to allow the respondent to understand the allegations against it so it can prepare a coherent response. PECO averred that Ms. Gates' Amended Complaint contains gibberish which makes no mention of the Company or anything the Company has done wrong. PECO requested that Ms. Gates' Complaint be dismissed with prejudice pursuant to Section 5.101(3) regarding preliminary objections.

On December 27, 2012, the Commission issued a Telephonic Hearing Notice scheduling an Initial Telephonic Hearing for Tuesday, February 26, 2013, at 10:00 a.m. and assigning me as the Presiding Officer.

On January 3, 2013, PAWC filed two Preliminary Objections. The Preliminary Objections contained a Notice to Plead. In its Preliminary Objections, PAWC argued that Ms. Gates' Amended Complaint should be dismissed based on Sections 5.101(a)(1) and (a)(3) of the Commission's regulations that pertain to lack of Commission jurisdiction and insufficient specificity of a pleading. PAWC noted that Ms. Gates has not raised any clear remedy being sought and that subject matter jurisdiction cannot be conferred where none exists. PAWC also noted that Ms. Gates has failed to set forth any specific facts of wrongdoing against PAWC in her Amended Complaint and that it is not even clear that the Complaint pertains to PAWC. PAWC concluded its Preliminary Objections by requesting that the Commission dismiss the Amended Complaint with prejudice.

Ms. Gates' Answers to the Preliminary Objections filed by PECO and PAWC were due no later than January 16, 2013. 52 Pa. Code §§ 5.101(f)(1), 1.12(a), 1.56(a)(1) and (b). Ms. Gates did not file an answer to either Preliminary Objection.

The Preliminary Objections filed by PAWC and PECO are ready to be ruled upon. For the reasons discussed below, the Preliminary Objections will be granted and Ms. Gates' Amended Complaint will be dismissed.

FINDINGS OF FACT

1. The complainant in this proceeding is Alice Ann Belmonte-Gates.
2. The respondents in this proceeding are the Pennsylvania American Water Company and PECO Energy Company.
3. On October 19, 2012, Ms. Gates filed two Complaints with the Public Utility Commission.
4. On one Complaint, Ms. Gates wrote "Ms. Heather Green" in Section 2 of the Complaint form asking for "Full Name of the Utility Company (Respondent)."

5. On her other Complaint, Ms. Gates left blank Section 2 of the Complaint form asking for "Full Name of the Utility Company (Respondent)."
6. In section 3 of the Complaint form asking for the "Type of Utility (check one)," Ms. Gates checked every utility type except for steam heat on both Complaints.
7. Attached to both Complaints was a single-spaced, two-page typed attachment that appeared to be, if not in fact are, identical statements purporting to explain Ms. Gates' Complaints.
8. On November 12, 2012, PECO Energy Company filed a Preliminary Objection in response to the Complaint it was served with, noting that Ms. Gates' Complaint should be dismissed because the Complaint is not plead with sufficient specificity.
9. On November 16, 2012, the Pennsylvania American Water Company filed Preliminary Objections in response to the Complaint it was served with, noting that Ms. Gates' Complaint should be dismissed because the Commission has no jurisdiction over the issues raised in the Complaint and that the Complaint is plead with insufficient specificity.
10. On December 4, 2012, an Order consolidating the two Complaints was issued noting that there are common questions of fact between the two Complaints and that consolidation will avoid unnecessary delay or cost.
11. On December 10, 2012, the Preliminary Objections filed by PAWC and PECO were granted and Ms. Gates was directed to file and serve an Amended Complaint within thirty days raising an issue over which the Commission has jurisdiction.
12. On December 17, 2012, Ms. Gates filed an Amended Complaint.
13. On December 21, 2012, PECO filed a Preliminary Objection stating that Ms. Gates' Amended Complaint should be dismissed for failure to state a claim upon which relief can be granted and failure to set forth a clear and concise statement of the act or omission being complained of.

14. On January 3, 2013, PAWC filed two Preliminary Objections arguing that Ms. Gates' Amended Complaint should be dismissed for lack of jurisdiction and insufficient specificity.

15. Ms. Gates did not file an Answer to either PAWC's Preliminary Objection or PECO's Preliminary Objections.

DISCUSSION

The Commission's Rules of Administrative Practice and Procedure, 52 Pa. Code Chapters 1, 3 and 5, provide for the filing of Preliminary Objections. 52 Pa. Code § 5.101. Commission Preliminary Objection practice is comparable to Pennsylvania civil practice respecting the filing of preliminary objections. Equitable Small Transportation Intervenors v. Equitable Gas Company, 1994 Pa PUC LEXIS 69, Docket No. C-00935435 (July 18, 1994) (Equitable). The Preliminary Objections filed by PECO and PAWC averred that Ms. Gates' Complaint is legally insufficient, fails to state a claim over which the Commission has jurisdiction and is not clear and concise. The Commission's Rules provide, in relevant part:

(a) *Grounds.* Preliminary objections are available to parties and may be filed in response to a pleading except motions and prior preliminary objections. Preliminary objections must be accompanied by a notice to plead, must state specifically the legal and factual grounds relied upon and be limited to the following:

- (1) Lack of Commission jurisdiction or improper service of the pleading initiating the proceeding.
- (2) Failure of a pleading to conform to this chapter or the inclusion of scandalous or impertinent matter.
- (3) Insufficient specificity of a pleading.
- (4) Legal insufficiency of a pleading.
- (5) Lack of capacity to sue, nonjoinder of a necessary party or misjoinder of a cause of action.
- (6) Pendency of a prior proceeding or agreement for alternative dispute resolution.

52 Pa. Code § 5.101(a)(1)-(6).

For purposes of disposing of Preliminary Objections, the Commission must accept as true all well pleaded, material facts of the nonmoving party, as well as every reasonable inference from those facts. County of Allegheny v. Commonwealth of Pennsylvania, 490 A.2d 402 (Pa. 1985); Commonwealth of Pennsylvania v. Bell Telephone Co. of Pa., 551 A.2d 602 (Pa. Cmwlth. 1988). The Commission must view the complaint in this case in the light most favorable to the Complainant and should dismiss the complaint only if it appears that the Complainant would not be entitled to relief under any circumstances as a matter of law. Equitable, supra; see also, Interstate Traveler Services, Inc. v. Commonwealth, Department of Environmental Resources, 406 A.2d 1020 (Pa. 1979).

In civil practice, a Preliminary Objection based on legal insufficiency is referred to as a demurrer. Preliminary Objections in the form of a demurrer will be sustained only in cases which are free and clear of doubt and where dismissal is clearly warranted by the record. Community Life Support Systems, Inc., et al. v. Commonwealth of Pennsylvania, 689 A.2d 1014, 1017 (Pa. Cmwlth 1997) (Community Life). Any doubt must be resolved in favor of overruling a demurrer. Id.; see also, Powell v. Drumbeller, 621 A.2d 1197, 1199 (1993) (Powell) (scope of review of a challenge to the sustaining of preliminary objections in the nature of a demurrer is whether on the facts averred, the law states with certainty that no recovery is possible).

In this case, Ms. Gates has failed to raise in her original Complaints a well pleaded material fact over which the Commission has jurisdiction. As a result, Ms. Gates was given an opportunity to file an Amended Complaint. As discussed further below, Ms. Gates' Amended Complaint again fails to raise any issue over which the Commission has jurisdiction, even when accepting as true all well pleaded material facts, as well as every reasonable inference from those facts, and viewing the Amended Complaint in the light most favorable to Ms. Gates. It is clear and free from doubt that Ms. Gates would not be entitled to relief under any circumstances as a matter of law. Ms. Gates' Amended Complaint will therefore be dismissed.

Similar to her original Complaints, Ms. Gates' Amended Complaint, which is addressed to "Judge Murphy," is unclear and not concise. The first paragraph of Ms. Gates' Amended Complaint, for example, states, verbatim:

**Private Complaints Breach of Contracts Cause of Actions

The Amended Complaint is replete with unclear and verbose statements, such as:

**My issues of this Entire: Civil; Federal 1% Abuse and

This paragraph continues for another half page of single-spaced typing in the same unclear and verbose manner.

Furthermore, the ensuing three pages are entitled "in the Court of Common Pleas of Montgomery County, CIVIL ACTION LAW, ACTION OF EJECTMENT" and contain

equally unclear and verbose statements which concluded "CC: Amended Complaint." Finally, the remaining nine pages are unclear and verbose as well.

In their Preliminary Objections, PECO and PAWC argue that Ms. Gates' Amended Complaint should be dismissed because Ms. Gates has failed to state a claim over which relief can be granted and because the Amended Complaint does not conform to the Commission regulations requiring formal complaints to set forth clear and concise statements of fact and relief sought. PECO and PAWC are correct. Ms. Gates has failed in her Amended Complaint to correct the deficiencies that were contained in her original Complaints.

First, as noted in the Order Granting Preliminary Objections and Directing Complainant to File a More Specific Pleading, dated December 10, 2012 (December 10th Order), Commission regulations require that a formal complaint set forth a clear and concise statement of the act or omission being complained of as well as a clear and concise statement of the relief sought. 52 Pa. Code §§ 5.22(a)(5) and (6). The purpose of requiring a complaint to be specific is to insure that the respondent's right and ability to answer and defend the complaint will not be unduly impaired by a vague pleading. See, Landau v. Western Pennsylvania National Bank, 445 Pa. 217, 282 A.2d 335 (1971); Paz v. Commonwealth, Dept of Corrections, 135 Pa. Commw. 162, 580 A.2d 452 (1990).

In this case, PAWC and PECO would not have the ability to answer Ms. Gates' Amended Complaint or prepare a defense given its unclear and verbose nature. This is true especially in light of PECO's contention that it conducted its own investigation prior to filing its Preliminary Objections and was still unable to determine the matter with which Ms. Gates complains. As noted in the December 10th Order, it is not even clear from a plain reading of Ms. Gates' original Complaints and her Amended Complaint that PECO and PAWC are the correct respondents. While PECO and PAWC could conduct discovery to elicit details of her Complaint sufficient to allow the Companies to answer the Amended Complaint and prepare a defense, in this case, it is clear that such actions would not be helpful. Even after being given a chance to amend her complaint and being made fully aware of the Commission's requirements for sufficient specificity of a complaint, it is not clear what discovery the Companies could serve

that would allow them to answer the Amended Complaint and prepare a defense. Ms. Gates has failed to satisfy the requirements of Section 5.22(a)(5) and (6), *supra*, and therefore her Amended Complaint will be dismissed.

Second, PAWC argued in its Preliminary Objection that Ms. Gates' Amended Complaint should be dismissed because of the lack of Commission jurisdiction over the issues she raised. Ms. Gates' Amended Complaint is long and detailed. It raises issues such as breach of contract, banking, criminal code, Uniform Commercial Code, ERISA, insurance, separation of church and state, social security, federal civil rights and many other issues, none of which the Commission has jurisdiction over.

As noted in the December 10th Order, it is well settled that the Commission may not exceed its jurisdiction and must act within it. City of Pittsburgh v. Pa. P.U.C., 43 A.2d 348 (Pa. Super 1945). Jurisdiction may not be conferred by the parties where none exists. Roberts v. Martorano, 235 A.2d 602 (Pa. 1967). Subject matter jurisdiction is a prerequisite to the exercise of the power to decide a controversy. Hughes v. Pa. State Police, 619 A.2d 390 (Pa. Cmwlth 1992). As a creation of the legislature, the Commission possesses only the authority that the state legislature has specifically granted to it in the Public Utility Code. 66 Pa. C.S. §§ 101, *et seq.* Its jurisdiction must arise from the express language of the pertinent enabling legislation or by strong and necessary implication therefrom. Feingold v. Bell, 383 A.2d 791 (Pa. 1977). Again, even after being given a chance to amend her Complaint and being made aware of the scope of the Commission's jurisdiction, Ms. Gates has failed to state a claim for which relief can be granted. The Commission does not have jurisdiction over any of the issues Ms. Gates raised in her Amended Complaint.

Finally, Commission precedent supports allowing unrepresented complainants an opportunity to be heard orally, and not have their case dismissed on the basis of a preliminary pleading. See, Richard Carlock v. The United Telephone Company of Pennsylvania, Docket No. F-00163617, Order (entered July 14, 1993) at 7 (Carlock); *citing*, Halpern v. The Bell Telephone Company of Pennsylvania, Docket No. C-00923950, Order (entered October 1992) and William Schleisher v. The Bell Telephone Company of Pennsylvania, Docket No. F-00161252 (adopted

at Public Meeting December 17, 1992). The Commission's decision in Carlock, however, was subsequently clarified to allow ALJ's the discretion to dispose of the pleadings in a proceeding provided that the action is neither arbitrary nor capricious, and that it is in accordance with the law. John A. Graham Jr. v. Philadelphia Suburban Water Company and Bell Atlantic-Pennsylvania, Inc., Docket No. C-00957557, Opinion and Order (entered June 12, 1996). Similarly, Section 703(b) of the Public Utility Code provides that "the Commission may dismiss any complaint without a hearing if, in its opinion, a hearing is not necessary in the public interest." 66 Pa. C.S. § 703(b); *see also*, 52 Pa. Code §5.21(d).

Ms. Gates' Amended Complaint is a clear example where such discretion should be exercised because a hearing is not necessary in the public interest. Dismissing Ms. Gates' Amended Complaint is neither arbitrary nor capricious, but is in accordance with the law.

In conclusion, Ms. Gates has failed to raise an issue over which the Commission has jurisdiction. This is the case even when accepting as true all well pleaded, material facts, as well as every reasonable inference from those facts, and viewing Ms. Gates' Amended Complaint in the light most favorable to her. When doing so, there is no doubt that Ms. Gates is not entitled to relief under any circumstances as a matter of law. *See, Community Life, Powell, supra*. Furthermore, Ms. Gates has not stated in her Amended Complaint a clear and concise statement of the act or omission being complained of as well as a clear and concise statement of the relief sought as required by the Commission's regulations. 52 Pa. Code §§ 5.22(a)(5) and (6). Ms. Gates' Amended Complaint will therefore be dismissed.

Q 84-0411 SOL BENEFICIAL HEIR TRUSTS AND ESTATE PLANS I AM NOT DENYING PRESIDENTS

Death and Taxes: A Primer on the Pennsylvania Inheritance Tax

BY AMY NERFELD SKEDEY AND REBECCA ROSENBERGER SMOLEN Special to the Legal

AMY NERFELD SKEDEY and REBECCA ROSENBERGER SMOLEN are founders of the Amicus Pro Bono Law Group (www.bonolaw.com) and coauthors their primer on trust and estate planning and administration.

Many people have been sleeping easier at night ever since January 1, when President Obama signed the American Taxpayer Relief Act of 2012 (ATRA) and law thereby permanently setting the federal estate tax exemption to \$5 million, indexed for inflation. This means that for many individuals there will be no federal estate tax payable if the individual dies with an estate that is under this large exemption amount (or double that amount for married couples). However, the elimination of federal taxation on these estates does not mean that estate planning should be ignored for tax purposes, since there may still be state inheritance taxes to consider, such as is the case in Pennsylvania.

For Pennsylvania residents, the Pennsylvania inheritance tax is applicable to all estates, irrespective of the size. Unlike with the federal estate tax regime, Pennsylvania has no exemption amount, meaning that the first dollar of the taxable estate (gross estate less allowable deductions) is subject to tax. Thus, in order to properly structure the estate plan for any Pennsylvania resident, regardless of the size of his or her pockets, it is important to understand the tax

This is how the Pennsylvania inheritance tax works, in a nutshell:
1. What is taxed? All real property and tangible personal property, including, but not limited to cash, cars, furniture and jewelry located in Pennsylvania, are taxable. All intangible property, which includes such items as stocks, bonds, bank accounts and notes receivable, is taxable regardless of where located. Jointly-owned property (except for right property owned by husband and wife) is taxable to the extent of the decedent's fractional portion in the property. In addition, gifts made within one year of death are

included in the taxable estate to the extent that the gift exceed \$3,000.
2. What is exempt from the tax? The following assets are exempt from Pennsylvania inheritance tax:
• Property owned by husband and wife with rights of survivorship if the joint ownership was created by the decedent more than one year of the decedent's death.
• Proceeds of life insurance policies.
• Qualified retirement plan benefits and IRAs of a decedent who was under age 59-and-a-half at the time of death.
• Transfers to qualified charitable organizations.
3. What is the relationship and tax rate? One of the key differences between the Pennsylvania inheritance tax and the federal estate tax is that, for Pennsylvania, the tax rate varies depending on the relationship of the heir to the decedent, whereas the federal estate tax only distinguishes the amount, but not other relatives. The inheritance tax rates in Pennsylvania are as follows:
• 0 percent on transfers to a surviving spouse (including transfers to a "sole use"

trust for the spouse, as described below) or to a parent from a child aged 21 or younger.
• 4.5 percent on transfers to direct descendants and lineal heirs.
• 12 percent on transfers to siblings.
• 15 percent on transfers to other heirs (for now, this would include same-sex spouses).
Given that the tax rates vary substantially depending on relationship, it is important to carefully consider the relationship of each beneficiary to the decedent before finalizing an estate plan. For example, in the case of a client who wishes to transfer a large bequest to a friend or to a same-sex partner, each of whom would be taxed at the highest rate of 15 percent, it may be advisable to make that individual the beneficiary of life insurance proceeds (rather than, or in addition to, bequests under the will) since life insurance proceeds are fully exempt from the inheritance tax.
4. What about property passing to the spouse? As stated above, for Pennsylvania inheritance tax purposes, there is no tax on property passing to a surviving spouse since the tax rate is 0 percent on transfers to a surviving spouse (including transfers to a "sole use"

It is important to carefully consider the relationship of each beneficiary to the decedent before finalizing an estate plan.

to reach agreement, but if they could not, a third consultant was to be chosen who would then make his or her own determination, and the third consultant's determination would be controlling.

In accordance with the lease, ESB performed multiple electrical surveys and provided those surveys to Skyline. Skyline apparently failed to challenge whether ESB properly set the base electric rate. In fact, the evidence at trial confirmed that Skyline never protested ESB's surveys in the manner required under the lease. Rather, Skyline's

post-bankruptcy challenge to the electric charges was based upon the premise that the lease methodology failed to accurately estimate electricity consumption, which resulted in overcharges, while ignoring other, more accurate ways to measure use.

The court, after exhaustive analysis of the various computational methodologies for setting the base electric rate, found that even if more reasonable ways to do so existed, the issue was governed by the explicit terms of the lease. Thus, Skyline was strictly bound by the agreement it made with ESB. Skyline's request for additional information regarding the surveys through two letters sent to ESB, a general reservation of rights, and even an indication that a challenge might be forthcoming were simply insufficient under

the explicit terms of the lease and could not operate to preserve Skyline's right to challenge the surveys beyond the 15-day period. Accordingly, the court granted ESB's motion for judgment on partial findings and dismissed the claim.

While the *New York Skyline* decision itself is not monumental, it serves as an important reminder to bankruptcy practitioners that while litigation before a court of equity is sometimes a bit more informal and may even allow for consideration of evidence that in other circumstances might not be admitted, strict interpretation and enforcement of contractual terms, even against a debtor, remains a very real, and maybe even likely outcome.

0 percent. This rate applies to both outright transfers and to transfers for the "sole use" of the surviving spouse (e.g., a transfer in trust or in a similar arrangement under which the surviving spouse is the only possible income and principal beneficiary during the spouse's lifetime). If property is left in a sole use trust for a spouse, the property will not be subject to tax until the death of the surviving spouse, unless the executor elects to include the trust in the first decedent's estate for planning purposes (and pays tax using a "future interest compromise" procedure). Deferring the tax until the second death, pursuant to 72 Pa.C.S. § 9113(a), may be beneficial in situations where the surviving spouse relies on the trust assets for living expenses or expects to use

not only trust income, but principal as well, thereby leaving a smaller amount in the trust that will ultimately be subject to tax at the spouse's death. Also, if the surviving spouse moves out of Pennsylvania, then it is possible to avoid the tax altogether. Thus, when dealing with sole use trusts, it is important to carefully consider whether or not to defer the tax depending on the relevant facts and circumstances.

Recently, the Pennsylvania Department of Revenue issued a new, somewhat controversial, statement of policy regarding sole use trusts, set forth at 61 Pa. Code § 94.3. The statement of policy establishes a notice requirement for returns filed after July 1, 2012, concerning potential tax liability for sole use trusts that are terminated during the applicable spouse's lifetime pursuant to voluntary agreement of the beneficiaries. This potential tax liability during the surviving spouse's lifetime appears to be inconsistent

with Pennsylvania law for two reasons: (1) Pennsylvania law does not impose a gift tax on property transferred during lifetime (other than with respect to gifts made within one year of death); and (2) PROPERTY PASSING OUTRIGHT to a surviving spouse at death, for Pennsylvania inheritance tax purposes, qualifies for the full marital deduction.

5. What is the due date and how can taxpayers get a discount? The inheritance tax return and payment are due nine months after the individual's death. However, there is a 5 percent pre-payment discount if the inheritance tax is paid within three months of decedent's death. By paying the tax six months early, this 5 percent discount amounts to a 10 percent after-tax return on assets on an annualized basis, which, in today's times, is hard to beat.
