# Re: Pipeline Act 2013 Registration for Triana Energy, LLC McKean County Pipeline Project

Dear Mr. Metro:

A-2012-2293762

This letter is in regard to the registration of Triana Energy, LLC ("Triana") at the request of the PUC.

Triana has carefully reviewed Act 127 and PUC's regulatory jurisdiction in regard to Triana's pipeline projects in Pennsylvania. At this time, Triana has no pipeline facility or project that would fall within the requirements of Act 127 or the PUC's jurisdiction. However, in good faith and out of an abundance of caution, Triana is registering the company and its pipeline project located in McKean County, Pennsylvania. No other projects have been completed in Pa.

Further, it is Triana's understanding and belief that pursuant to the Act, the PUC regulations, and our previous conversations that there will be no fees assessed or inspections of this project.

Please feel free to contact me at your convenience to discuss this matter further.

Sincerely, Rachelle A. King

Director of Regulatory Affairs
