Re: C-2013-2340507

Dear Ms. Chiavetta:

I am in receipt of your complaint letter against Commonwealth Trucking Company, LLC.

This office did send a letter in November of 2012 to the PUC advising that the owner had sold the assets of the company as of November 1, 2012 and that we were no longer in active trucking business. That is why our insurance was canceled. It was no longer needed.

I am still in the process of straightening out the UCR and the MCS150. I mailed an MCS150 form directly to Washington, DC in December in an attempt to notify them that we were no longer in business. I faxed in the form the other day in hopes that that method of communication fares better.

We have always strived to be compliant.

Sincerely,

Claire Kramer  
Office Manager
