Dear Secretary Chiavetta:

Enclosed herewith are two (2) copies of Tariff Freight Pa. P.U.C. No. 5 Cancelling Tariff Freight Pa. P.U.C. No. 4, issued by Joseph P. Riley & Sons Moving Company, Inc. at A-00111047, and sent to you for filing in compliance with the requirements of the Pennsylvania Public Utility Law.

An additional copy of said proposed tariff is also enclosed for your staff with the other two sets being forwarded to Mr. Robert Bingaman, Bureau of Technical Utility Services official file.

Applicant has proposed increases in the additional service category as well as proposed increases in its hourly rates for its less than forty (40) transportation service of household goods in use.

Also attached is an original letter affidavit indicating applicants 2013 Pa. revenues from "household goods in use" amounting to \$493,970.00 when taking into consideration its Pa. exempt revenues provided in the assessment report.

Also attached is another letter affidavit providing that its Pa. revenues from the transportation of household goods in use was less than \$500,000 and its operating ratio was not less than 93%.

The now Bureau of Technical Utility Services and previously the Bureau of Transportation and Safety have allowed household goods carriers whose revenues generated from this service category would be acceptable not including the revenues generated from "property" be excluded in the same fashion as permanent storage, inner office moves, transportation of voting machines and more.
