Dear Ms. Chiavetta:

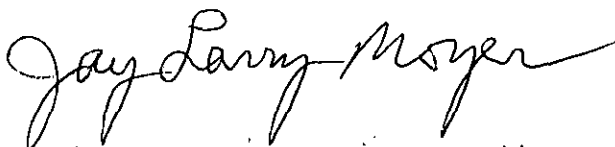

I'm writing to follow up on my conversation with your staffer, Susan, and to express, in writing, my concern about your letter of March 19. First, I appreciate your consideration in assuring that all parties receive a copy of my Exceptions, and I understand the courtesy of allowing extra time for the Respondent to reply.

My concern is that a Certificate of Service was apparently missing from the file and may have been mislaid. I provided copies of the certificate in each of the mailings, along with the exceptions. Copies of both were sent to your office, to the OCA, and to the Respondent's attorney, Christopher T. Wright, Esq.

I expect that, with your helpful intervention, the process will move forward, but wanted to indicate my concern about the apparent error.

If the error was mine and I omitted some procedural detail, I apologize and express again, my appreciation for your help in making the correction.

Yours,

Jay Larry Moyer
