Re: SNIp Link, LLC
Tariff Revision to Competitive Local Exchange Service Tariff

Dear Ms. Barker Marshall:

Docket	Supplement	Tariff	Description	Filed	Effective
R-00051175	2	2	Addition of Universal Emergency Telephone Service	12/9/05	12/13/05
R-00061274	3	2	Addition of 911 Language	1/26/06	1/27/06

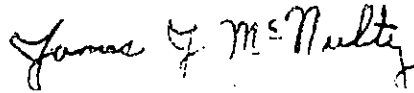

Commission Staff has reviewed the above tariff revisions. Suspension or further investigation does not appear to be warranted at this time. Therefore, in accordance with 52 Pa. Code, the tariff revisions have become effective by operation of law according to the effective dates contained on each page, and **the Secretary's Bureau will mark each case closed.** This, however, does not constitute a determination that the revisions are just, lawful and reasonable, but only that suspension or further investigation does not appear to be warranted at this time, and is without prejudice to any formal complaints timely filed against said tariff revisions.

As a Pennsylvania telecommunication carrier, the Company is required to maintain tariffs on its website with a link to the Commission's website. However, staff was unable to access your Company's current on-line tariffs. **Therefore, within 10 days of the date of this letter, the company is directed to contact Cyndi Page (717-787-5722; cypage@state.pa.us) of the Commission's Communications Office, to create a link from the Commission's website to the Company's website tariffs.** If the company does not maintain a website, the Commission will host its tariffs on the Commission's website.

DOCKETED
MAY 15 2006
