MOTION TO JOIN THE TWO CASES AS THEY WERE
IN THE ORIGINAL FORMAL COMPLAINT FILING OF
DECEMBER 26, 2012; AS; IN REALITY, THIS IS ALL THE
DIFFERENT CASES...

TO: ADMINISTRATIVE LAW JUDGE SUSAN D. COLWELL

I HEREBY REQUEST A CONTINUANCE OR POSTPONEMENT
FROM THE SCHEDULED
TELEPHONIC HEARING DATE OF APRIL 10, 2013; AS:

- 1) It has not yet been decided by this Honorable Court to Re-Join the two Dockets referenced above; which were originally presented to the Court as One Case in the Formal Complaint of December 26, 2012
- 2) I have reached out to Attorney John J Gallagher and to Attorney Carl R Shultz who represent Pike Power and Light/ Orange and Rockland and Con Edison; and, Direct Energy; and, left unanswered messages as to whether they are willing to Provide Informal Discovery in this matter in the event it is necessary for me to question all of the

employees of both companies
home to do their continuous
and gas meters in my basement
matters, I will need considerable
Telephonic Hearing; especially in
Education in the Legal Field.

who spoke to me on the phone; and, who physically entered my
meter readings; and; who did work such as replacing electric
and garage.

3) If they are Not Willing to provide Informal Discovery in these
additional time to go through Formal Discover prior to a
light of the fact that I am not an Attorney; and, have no
4) If they are willing to provide Informal Discovery, it will still take
contact and serve the numerous people who were involved in
this matter...

I HEREBY REQUEST THAT THE TWO CASES BE RE-JOINED AS
ONE CASE....

1) These are not two separate cases; and, the actions of one
company were coordinated with the
actions of the other company; as per my original Formal
Complaint of some 93 pages
2) All of the Exhibits that pertain to one company for the most part
pertain to the other company
as they acted in Unison; and/or their actions were intertwined.
3) The Actions of one company influenced the Actions of the
other Company.
4) My Case against both companies is severely prejudiced if this
is broken down into two
separate cases.
5) I was unaware that both Companies were acting against me
IN CONCERT at the time that
their alleged illegal behaviour was being perpetrated against
me; my allegation is:"THAT
THEY WERE WORKING AS A TEAM" and "Orchestrating
their Actions Upon an
Unsuspecting Consumer" to derive their selfish mutual
enrichment from their scheme...

Wherefore, Charles Raymond Stato respectfully requests This Honorable Court to
Continue and/or Postpone the Telephonic Hearing currently scheduled with only one of the above
two companies for April 10, 2013; and WHEREFORE,
Charles Raymond Stato respectfully requests This Honourable Court to RE-JOIN the Case
against Pike County Power and Light; Orange and Rockland Utilities; Rockland Electric Company
and Con Edison; and Direct Energy, LLC as BEING ALL THE ONE AND THE SAME CASE AS
PER MY ORIGINAL 93 PAGE COMPLAINT OF DECEMBER 26, 2012.
