Re: file A-2013-2350206
Application of the PECO Energy Company for the Approval to alter the above
grade crossing so as to install a new gas main, where Trooper Road, S.R. 3051,
crosses the above grade tracks of Norfolk Southern Railway Company in Upper
Merion Township, Montgomery County.
This may also involve an application Filed February 27, 2013 at A-2013-2350206

Dear Ms. Chiavetta:
Texas Eastern Transmission LP/Spectra Energy has reviewed your letter dated March 11,
2013 regarding the above referenced matter. Texas Eastern has no facility in this area of
Montgomery County.

Thank you for the notice and we will review all such notices as part of an ongoing effort
to protect the Texas Eastern Transmission facilities.

Pursuant to the Underground Utility Line Protection Law, Act 187 of 1996, we issue you
Serial Number EA-13-02.

Respectfully,

A handwritten signature in cursive script that reads "William Savage".
