To Whom it May Concern:

My name is Greg Wanish, General Manager of Wanish Limousine Service and would like to respond to letter dated 3/19/13 Docket # C-2013-2349050. I was given some wrong information when I had my 2003 Sedan inspected last year. At that time, Officer Adomaitis informed me to send in my waiver request no later than the last week of October, because in his words there were going to be a lot of inspections needed to be done. I never received your letter stating the waiver request had to be in by 9/30/12. With that being said, I submitted a letter to the Commission on 11/23/13 to reconsider my request for waiver. On 12/3/12 I received a response stating that although I messed up, the Commission would entertain my application for waiver. I explained this to Officer Bianco and showed him the letter from the Commission that I am waiting for someone to contact me to set up the appointment for inspection. I am not trying to hide anything and am very confident of my vehicle passing any inspection. I am hoping the Commission will waive this fine and someone contact me and I will be very glad to set up an appointment to have my vehicle inspected. I apologize to the Commission about my untimely filing of my paper work, I will do my best in the future to not have this happen again.

Thank You,

Greg Wanish, GM
