**RE: Duquesne Light Company – Rider No. 1 Customer Education Surcharge
Supplement No. 73 to Tariff Electric - PA. P.U.C. No. 24
Docket No. _____**

Dear Secretary Chiavetta:

Enclosed for filing, please find an original copy of Supplement No. 73 to Duquesne Light Company's ("Duquesne Light" or "Company") Tariff Electric; PA. P.U.C. No. 24 issued March April 2, 2013 to become effective June 1, 2013.

Duquesne Light's Customer Education Surcharge ("CES") was initially approved by Commission Order entered August 21, 2008, at Docket No. M-2008-2032278. Duquesne Light filed a petition to modify its plan to include cost recovery for certain mailings directed by the Commission' Retail Market Investigation and the Commission's Reconsideration Order on Eligible Customer Lists at docket number P-2012-2287755. By Final Order entered March 1, 2012, the petition was granted. Duquesne's proposed CES incorporates the consumer education budget as approved by the Commission.

Also enclosed are Exhibit 1 and Attachment A which provide the supporting calculation for the proposed CES. Exhibit 1 is a six page document. Pages 1 and 2 summarize the revenue and expenses for January 1, 2012 through December 31, 2012. Page3 provides a summary of the surcharge revenue by rate class. Page 4 provides the calculations of E-Factor revenue by rate class. Page 5 provides a summary of expenses and page 6 provides the E-Factor calculations.

Attachment A is a four page document that details that revenue requirement for January 1, 2013 through May 2013 and provides the supporting calculations for the proposed surcharge effective June 1, 2013.

Should you have any questions, please do not hesitate to contact me.

Respectfully,

STANDARD CONTRACT RIDERS - (Continued)

RIDER NO. 1 – CONSUMER EDUCATION SURCHARGE

(Applicable to all Rates)

The Consumer Education Surcharge (“CES”) is instituted as a cost recovery mechanism to recover the costs associated with implementing the Company’s Consumer Education Plan. The CES has been added per Commission Order dated August 21, 2008, at Docket No. M-2008-2032278. The CES will be recomputed annually and filed, to be effective June 1 of each year, unless the new rate is such a small change as to warrant no change in rates. The CES shall be applied to all customers’ bills. The CES process will reconcile actual consumer education costs with revenue billed in accordance with this Rider.

The CES, calculated independently for each customer class in this Tariff, shall be applied to all customers served under the Tariff. The CES shall be determined in cents per month in accordance with the formula set forth below and shall be applied to all customers served during any part of a billing month:

$$CES = [(((CE - e) / (C * 12)) * 100)] * [1 / (1 - T)]$$

- Where **CES** = Consumer Education Surcharge, a fixed charge in cents per month, to be billed to each customer served under the applicable Tariff rate class.
- CE** = Projected annual consumer education costs in dollars for each customer class for the filing year.
- C** = Projected average number of customers per customer class for the filing year.
- e** = The net overcollection or undercollection of the consumer education program costs as computed for each customer class as of the end of the reconciliation year.
