Re: *In the Matter of the Application of PJM Wholesale Brokers, LLC to Furnish Electric and Natural Gas Supply Services in the Commonwealth of Pennsylvania.*
Docket No. A-2013-2347970
Docket No. A-2013-2346222

Dear Madam Secretary,

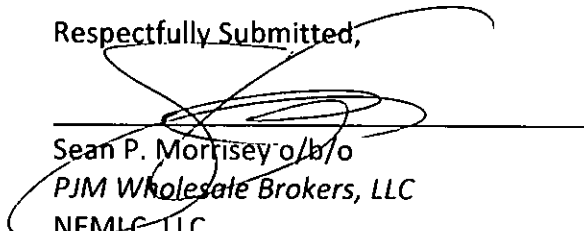

Our firm has been retained by the above captioned Applicant, PJM Wholesale Brokers, LLC (hereafter "PWB" or "Applicant") to assist them with regulatory and compliance filings in various jurisdictions.

In Applicant's original filing, the Tax Certification Statement indicated that the application for the Corporate Box number was pending. Since the date of the filing, PWB has received it number which is **6305238**.

Enclosed please also find a letter from National Fuel stating that since PWB is a Broker and will not be taking title to natural gas in Pennsylvania, that no security is required. We expect similar letters from each NGDC and will forward those to the Commission upon receipt.

Should Commission Staff require any additional information, please do not hesitate to contact this office directly.

Respectfully Submitted,

Sean P. Morrissey o/b/o

Re: Security Requirement for PJM Wholesale Brokers, LLC

Dear Mr. Morrisey:

National Fuel Gas Distribution Corporation ("NFGDC") is aware that PJM Wholesale Brokers, LLC ("PWB") has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, PWB must furnish acceptable security to each utility where PWB will do business. As such, under its tariff, NFGDC could require PWB to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that PWB intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, PWB will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, PWB does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by PWB change in the future, NFGDC reserves the right to require security from PWB as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7599.

Yours truly,

Nathan E. Barnes
