PECO Energy Acquisition is providing this notification letter that Ambit Energy has met the creditworthiness business requirement involved with the Pennsylvania Gas Choice - Low Volume Transportation program; pursuant to the receipt of an executed Parent Guaranty of \$35,000.00. PECO will hold the surety to cover potential obligations to PECO and other system costs that could result from failure of a Supplier to meet its competitive Natural Gas Supply service delivery obligations.

Please note, although the creditworthiness requirements were met, as referenced within Section 7.13 (Creditworthiness of a Natural Gas Supplier (NGS) Serving Low Volume Transportation Customers) of the Gas Service Tariff, PECO has the right to re-assess the creditworthiness of the company if PECO has any reason to suspect a change in the marketer's financial condition.

If you should have any questions regarding this matter, please contact the Electric & Gas Choice Hotline at 215-841-3700.

Sincerely,

Carol Reilly
Manager
