**Re: *In the Matter of the Application of PJM Wholesale Brokers, LLC to Furnish Natural Gas Supply Services (Broker) in the Commonwealth of Pennsylvania. Docket No. A-2013-2347970***

Dear Madam Secretary,

To supplement the original filing under the above captioned docket number, attached please find a letter from UGI waiving any security requirements since Applicant will not be taking title to natural gas.

Each NGDC in the Commonwealth has been contacted requesting similar waiver letters and will be forwarded to the Commission upon receipt. The Commission should have on file waiver letters from PECO, EQT, UGI and National.

Should Commission Staff require any additional information, please do not hesitate to contact this office directly.

Thank you in advance for your time and attention to this matter.

Respectfully Submitted,

RE: PJM Wholesale Brokers, LLC application to serve as a broker/marketer

Dear Mr. Morrissey,

UGI Utilities Inc. ("UGIU") has reviewed the license application of PJM Wholesale Brokers, LLC. ("PJM Wholesale Brokers"). Based on the application and discussions with you, UGIU has concluded that PJM Wholesale Brokers will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that PJM Wholesale Brokers will not be taking title to gas or directly serving end use customers. This also assumes that PJM Wholesale Brokers will be acting on the behalf of a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGI service territories and who has posted the required financial security as specified in the respective UGI tariffs. If PJM Wholesale Brokers wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

Sincerely,

David E. Lahoff
