To Whom It May Concern:

My company recently received a letter that we were going to be fined for not carrying insurance on our vehicle for the upcoming year. I called your office and spoke with Wendy on 4/12 @ 787-1227 and she directed me to write this letter.

Our company has been in the process of selling this vehicle since January 2013. This bus has been out of business since September 2012 and therefore we are trying to sell it. We did not renew insurance in March since our insurance carrier only would accept 1 year in full payment and we thought we had a buyer. Buyer fell through but we are STILL in the process of selling it.

Vehicle is NOT DRIVEN and is sitting on the property waiting for a buyer. **We are requesting that you cancel our PUC license and waive the fine since the vehicle will no longer be used for touring services.**

Thanking you in advance for your help and cooperation in this matter.

Sincerely,

Ria Reuling Heft
