Respondent	:	

MOTION FOR CONTINUANCE OF HEARING

Pursuant to 52 Pa. Code § 1.15(b), Philadelphia Gas Works, the Respondent (PGW) hereby requests a continuance of the hearing in this matter scheduled for 1:00 p.m., Friday, May 3, 2013, as the time required for the presentation of the parties' cases will, in all likelihood, result in the necessity of the scheduling of a further hearing. In support of its motion, PGW states as follows:

1. On December 20, 2012, the Commission served the Respondent, PGW with the Complaint filed in the above captioned matter, to which PGW filed an Answer on January 9, 2013.

2. By Notice dated February 28, 2013, the Commission scheduled an In Person Hearing in this matter for May 3, 2013 at 1:00 p.m., before Administrative Law Judge Christopher P. Pell, in the Commission's Philadelphia office.

3. As the hearing in this matter is scheduled for 1:00 p.m., Friday, May 3, 2013, and as both parties are represented by counsel, the time required for the presentation of the parties' cases will require more than the 3.5 hours before the closing of the Commission's Philadelphia Offices. This will, in all likelihood, result in the necessity of the scheduling of a further hearing of the matter.

4. Rather than require two scheduled hearing dates, continuity in the presentation of the parties' cases is better served with a hearing scheduled on a date in which the hearing may begin in the morning. The presentation of cases will not exceed one full day.

5. During the pendency of this matter the parties have revived settlement discussions.

6. PGW has contacted the Complainant's counsel, Louis S. Schwartz, Esq., who

has indicated that he does not object to this request for a continuance of the hearing of this matter.

7. PGW has not previously requested a continuance in this matter.

8. Pursuant to 52 Pa. Code § 1.15(b), PGW has shown good cause for the grant of a continuance in this matter.

WHEREFORE, PGW requests that the Initial Hearing scheduled for May 3, 2013 at 1:00 p.m., in the above captioned matter be continued and rescheduled.

Respectfully submitted,

April 24, 2013
