

Mrs. Chiavetta,

I have spent the last year working on receiving my operating authority. I have quit my job and put all my efforts into providing Paratransit services to a population that I feel passionately about. In Pennsylvania, providers are unable to transport Medicaid clients unless we subcontract with Logisticare. As a requirement to subcontract with Logisticare, the Transportation providers need 1million dollar coverage. I have worked diligently to try and get 1million dollar insurance, but most insurance carriers will not touch a new Paratransit transportation provider. I have even received denials from Insurance Brokers saying they were too busy to help me. In short, I have insurance and I am working to subcontract as a Transportation provider under Logisticare. I carry full ~~(XXXXXX)~~ insurance and will provide a copy of that. I just need an extension which will give me time to provide proof of the aforementioned insurance. *I CONTEST THE COMPLAINT ON THE GROUNDS THAT I DO HAVE INSURANCE THAT MEETS THE MINIMUM REQUIREMENTS.*

Thank You for your consideration,

Jarrad M. Gholston

Gholston Paratransit Service.
