**RE: Duquesne Light Company – Rider No. 15.A EEC Phase II Surcharge
Supplement No. 74 to Tariff Electric - PA. P.U.C. No. 24
Docket No. M-2012-2334399**

Dear Secretary Chiavetta:

On April 2, 2013, Duquesne Light Company (“Duquesne Light” or “Company”) filed Supplement No. 74 to Tariff Electric, PA. P.U.C. No. 24. Per our conversations with the Bureau of Audits, enclosed for filing please find one replacement page to Supplement No. 74 to Tariff Electric, PA. P.U.C. No. 24.

On November 15, 2012, Duquesne Light filed its Energy Efficiency and Conservation Phase II Plan (“EE&C Phase II Plan”) with the Pennsylvania Public Utility Commission (“Commission”). The Company’s EE&C Phase II Plan is a comprehensive plan designed to achieve the required energy savings within the allotted budget. On March 14, 2013, the Commission issued an Opinion and Order approving the Company’s EE&C Phase II Plan and directing the Company to file a revised Phase II tariff supplement within 60 days after consulting with the Bureau of Audits. Specifically, the Commission stated “[o]ur review of Duquesne’s Exhibit WVP-1, which contains proposed Supplement No. XX To Electric – Pa.P.U.C. No. 24, reveals that Duquesne’s proposed reconciliation mechanism does not appear to comply entirely with the Commission directive that Phase I and Phase II cost recovery mechanisms be completely separate.”

STANDARD CONTRACT RIDERS - (Continued)

(C)

RIDER NO. 15A – PHASE II ENERGY EFFICIENCY AND CONSERVATION SURCHARGE — Continued

(Applicable to all Rates)

ANNUAL UPDATE – (Continued)

The rates for EEC (I) shall be determined based on the projected budget and the projected Peak Load Contribution for the planning year and the over or under collection of expenses based on actual EEC (I) revenue and expense incurred for the reconciliation year. In accordance with 66 Pa. C.S. § 1307(e), a reconciliation statement filing will be made with the Commission by June 30 of each year. A final reconciliation statement will be filed with the Commission within thirty (30) days after the completion of the final over or under collection refund/recovery period.

MISCELLANEOUS

Rider No. 10 – State Tax Adjustment Surcharge (STAS) shall be applicable to the Surcharges defined in this Rider.

The EEC shall be subject to review and audit by the Commission.

There shall be no interest applicable to over or under collections for the reconciliation period.

The reconciliation year (true-up period) shall be the twelve (12) months beginning June 1 of the previous year and ending May 31 of the current year.

The rates effective September 1, 2016, through August 31, 2017, shall include reconciliation of the revenue and expense from June 1, 2015, through May 31, 2016. During the period of June 1, 2016, through December 31, 2016, the Company will analyze the over or under recovery collection balance. If it is apparent that there will be a significant over or under recovery for the true-up period June 1, 2016, through May 31, 2017, the Company may propose a rate adjustment prior to the end of the true-up period to become effective on or about February 1, 2017, on no less than ten (10) days' notice. The proposed interim rate adjustment would be for the true-up period June 1, 2016, through December 31, 2016, and designed to achieve a zero over/under collection balance at August 31, 2017.

If any over or under collection balance is expected to remain after August 31, 2017, the Company will propose an additional rate adjustment to ensure that the balance is eliminated.

This Rider will remain in effect until the final reconciliation statement is approved and all charges are fully recovered or refunded.
