Dear Ms. Chiavetta

I am writing in response to the paperwork I received from Peco Energy Corporation in regards to my formal complaint. My PUC docket # is C-2013-2357254. I do not agree with the decision from Peco because I had called in several times and was never told that I was taken off of my agreement. I kept being told that I was late but still had a few days to pay. I was surprised and devastated when I received a shut off notice. I am a single mother of two daughter's and do my best to make ends meet. I understand that I was late several times and I appreciate all the help everyone has offered. I am just asking to be put back on my same agreement. I recently just made a payment and want to continue making payments. I cannot come up with the \$1300 they are saying I need to pay in order to not be shut off. I am desperate at this point bc I cannot have electricity for my young daughter's. Please help.

Sincerely,

Kimberly Burkley
