Subject/ Re: PERMIT NO. A- 6413949

P.U.C # 1

Sir/Mom To whom it may concern.

With utmost respect at the outset, I would like to request and beseech your office for enlarge or extension of time with respect to the above captioned subject for the upcoming reasons:

- 1- Doubtless with reference to the records in file, I utterly believed that I did comply with all rules and bylaws required in the process of such application.
- 2- Exceptionally to line 1 P.U.C asked for signed contract from the broker (LogistiCare) as part of the procedures.
- 3- I tirelessly reached the broker many times and still trying and perpetually beseeching the said agency hopefully to obtain such contract in order to secure P.U.C. Certificate.
- 4- Notwithstanding, of the broker's (LogistiCare) earlier consent and it's support to this issue (please see the attachment in File – verified statement in support of my application – from the LogistiCare dated on June /25th /2012. In addition to their letter to intent.
- 5- In the light of the above mentioned factual points moreover, the encouragement by the broker particularly and more apparently optimistic when I received its Questionnaire Package Electronically.

- 6- Consequently, I purchased a new full size van model year 2011 in cost of \$22.000.00 plus. In addition to two full types of coverage (Auto + General Liabilities) with cost of \$10.133.00 plus. And after all such (investment) in spent of my family fund subsidized by my personal credit obligations,
- 7- At the end of the unjustified day, which is unfortunate sadly and unfair, I found the status of my anticipated application posed in the middle of nowhere as a direct result of the broker fast and loose attitude which is absolutely incomprehensible to me and beyond natural attitude to get it !
hence, and for the aforementioned factual points of views akin with sincere logic and sense, I respectfully petition and beseech this commission (P.U.C) once again to consider my request for extension or enlarge of time along with my sincere prayers for the extended anticipated consideration for the approval and ratification of the said application in its totality as well and such hopeful and foreseeable grant utterly deem just and proper .

Thank you for your sincere cooperation

And anticipated prompt consideration

In such urgent matter

Sincerely

Ibrahim Mohmed /Owner & CEO
