RE: C-2013-2355932

Be advised that McConahy Transport and Logistics LLC closed its' doors for good in December 2012. This was due to lack of business and the leaser had the leased vehicles repossessed. The client has neither trucks nor trailers. The client is therefore not required to keep current with any insurance after December 2012.

Please review this as a document of closure and refrain from further action.

Thanking you in advance for your cooperation in this matter
