RE: Complaint No. C-2013-2364790

Dear Sir/Madam:

Please close/withdraw the Complaint that I filed, which was assigned the above-referenced number. My power was turned off on May 21, 2013, and I am disputing the amount PP&L claims that I owe. I need to have my power restored immediately.

Thank you.

A handwritten signature in black ink, appearing to read "Angela Kelly". The signature is written in a cursive style with a large, prominent initial "A" and a long, sweeping underline.
