Dear Ms. Chiavetta,

This letter is in response to recent correspondence received from the PUC regarding my cancelation of my Insurance to operate motor coaches under PUC regulations.

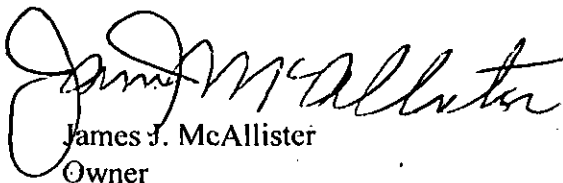

Due to recent rules put in place by our customers making it impossible to make a profit operating said coaches we have had no alternative but to cease all operations of our coaches. This cease took effect on or about the 10th of January of this year. Our current insurance policy expired on the 18th of March of this year earning us a rebate on the remainder of the policy. At no time did we operate our coaches without the proper Insurance as described under PUC rules. However we would like to keep our PUC authority in case we have the opportunity in the future to restart our operation again.

Our current equipment is very outmoded and too costly to upgrade and maintain and are currently waiting to be sold to a salvage company.

I called the number listed on the letter received and he directed me to send this letter. I hope this letter resolves this issue and leaves the door open to future operations under PUC rules.

Very Truly Yours,

McAllister's Tours & Charters
