Dear Ms. Chiavetta,

This letter is in regards to Docket No. C-2013-2360390 failure to maintain the appropriate insurance.

We deny that we have done anything wrong because we had sold our 2009 Kenworth Tow Truck and therefore, we cancelled the insurance on it and this is why you received a letter of cancellation. The letter of cancellation you received was for this particular truck only. As for, the rest of our trucks we have held current and active insurance. At this time we have downsized our fleet and our current load capacity is a maximum of 17,000 GVW. With this information you can see that we have been in compliance with the rules for the Certificate of Public Convenience set by the Pennsylvania Public Utility Commission.

Enclosed you will find copies of the forms E and H which have already been forwarded to you in original form from Peninsula Insurance Company.

Sincerely,

Christine L. Varney
President
