

F-2012-2318264

May 22, 2013

To Whom it may concern,

I would like to thank PGW for agreeing to participate in an additional hearing. I hope that you too will share the same understanding for my failure to attend the 1st hearing due to my inability to understand English. If you can find it in you to allow me a second chance to present my case to you, I would greatly appreciate it.

Best,

Yomari Thom
