**Re: Larry Moyer v. PPL Electric Utilities Corporation**  
**Docket No. C-2011-2273645**

Dear Secretary Chiavetta:

The letter is in response to the second request of the Complainant Larry Moyer (“Complainant”) to reopen the record in the above-referenced proceeding. This letter is being filed by PPL Electric Utilities Corporation (“PPL Electric”) in lieu of a formal answer to the second request to reopen the record.

On May 7, 2013, the Complainant filed a Petition to Reopen the Record. The Petition seeks to introduce the electric bills and usage/generation data that have been issued since the evidentiary hearing through the most current bill. On May 20, 2013, PPL Electric timely filed and served an Answer to the Petition to Reopen the Record. As explained therein, the information sought to be admitted into the record is cumulative to the extensive evidence that was properly considered and rejected by the Administrative Law Judge and, therefore, the Complainant’s request to reopen the required should be denied. Said Petition and Answer thereto currently are pending for disposition.

On May 20, 2013, Complainant filed what appears to be a second Petition to Reopen the Record. The second Petition to Reopen the Record seeks to introduce additional electric bills and usage/generation data. For the reasons previously explained in PPL Electric’s Answer to the first Petition to Reopen the Record, the Complainant’s second Petition to Reopen the Record should be denied.
