RE: FiberNet Telecommunications of Pennsylvania LLC
Supplement No. 3 to Tariff Telephone PA PUC No. 4 (Switched Access)
Docket No. M-2012-2291824
Contains Proprietary Information

Dear Secretary Chiavetta:

Enclosed for filing please find FiberNet Telecommunications of Pennsylvania, LLC's ("FiberNet") Supplement No. 3 to its Telephone Tariff PA P.U.C. No. 4 (Switched Access).

The purpose of this filing is to revise tariff language and change rates as required by the FCC's November 18, 2011 Report and Order in WC Docket Nos. 10-90, etc. (FCC 11-161). Specifically, the supplement makes changes to the following tariff sections:

Section 5.4, 3rd revised sheet 51

This supplement is filed in compliance with the Pennsylvania Public Utility Commission's (PUC) Order entered on April 18, 2013, at the above docket, which implements the FCC's Order. Both "Public" and "Proprietary" versions of the supporting calculation worksheet are being provided in accordance with the Commission's Order. Please accord the "Proprietary" version the maximum confidential treatment as outlined in the Commission's Protective Order. Excel copies of the Proprietary version of the worksheet are also being emailed to the email address specified in the Order. As required by the instructions to the worksheet, I am also enclosing the relevant pages of FiberNet's FCC Interstate Switched

SECTION 4 - ACCESS SERVICES, (Cont'd.)**4.3 Provision and Description of Switched Access Service Arrangements****4.3.1 Manner of Provision**

Trunks used for Switched Access Service may be configured for one-way (either originating only or terminating only) or for two-way directionality. It is the Customer's responsibility to provide the Company with a usage demand estimate for the first three (3) months of service. This demand estimate should be included with the access order information.

4.3.2 Call Types

The following Switched Access Service call types are available:

- 800 Data Base Access Service
- Originating Switched Access
- Terminating Switched Access

4.3.3 800 Data Base Access Service

This service provides for the (a) forwarding of End User dialed 800 calls to the Company which will initiate a query to identify the appropriate Customer to whom the call should be forwarded and (b) translation of the dialed 800 number to a ten digit NPA-NXX-XXXX telephone number.

SECTION 5 - MISCELLANEOUS ACCESS CHARGES, (Cont'd.)**5.4 Billing Name and Address****5.4.1 Service Description**

Billing Name and Address (BNA) service provides account detail of the Company's customers to interexchange carriers, operator service providers, enhanced service providers, and any other provider of interstate telecommunications services.

5.4.2 General

- .1 Upon acceptance of an order for BNA service, the Company will furnish account detail for each working number submitted. Account detail consists of current data base information including the end user's billing name and billing address.
- .2 Only current information which resides in the Company's data base will be provided. Customers ordering BNA service must accept BNA account detail on an "as is" basis.
- .3 The Company will specify the location where requests for BNA service are to be received, and the format in which the requests are to be provided.
- .4 The subscribing customer must agree that BNA information will not be resold or otherwise provided to any other person, corporation, partnership or entity, other than Customer's authorized billing agent, and that Billing Name and Address shall be used by Customer or Customer's authorized billing agent solely for:
 - A. Billing its customers for using Customer's telecommunications services.
 - B. Any purpose associated with the equal access requirement of United States v. AT&T, 552 F. Supp. 131 (D.D.C. 1982).
 - C. Verification of service orders of new customers, identification of customers who have moved to a new address, fraud prevention, and similar nonmarketing purposes.

SECTION 5 - MISCELLANEOUS ACCESS CHARGES, (Cont'd.)**5.4 Billing Name and Address (Cont'd.)****5.4.2 General (Cont'd)**

For calling card calls and collect and third party billed calls, Billing Name and Address for ANI service is not available on accounts of nonpublished/unlisted end users who, by request to the Company (which request may be submitted at any time), have specified that such information not be released.

.5 Manual Request

- A. At the Customer's option, the Company will provide BNA via manual request procedures.
- B. BNA service information will be provided by the Company in standard paper format via facsimile or first class U.S. mail.
- C. Wherever possible, the Company will provide Billing Name and Address for ANI data no later than ten (10) business days from the date of receipt of the Customer's request. Availability of data may be delayed if errors exist in the request received from the customer.
- D. In situations where the customer requests more than forty (40) BNA records on a single order, the Company will provide the requested BNA information in a time frame mutually agreed to by the customer and the Company.

.6 Mechanized Request

- A. At the Customer's option, the Company will provide BNA, subject to procedures established for Customer Account Record Exchange (CARE).
- B. The customer will submit its requests through proper CARE procedures, as revised or amended.

SECTION 6 - CONTRACTS AND INDIVIDUAL CASE BASIS ARRANGEMENTS**6.1 Contracts**

The Company may provide any of the services offered under this tariff, or combinations of services, to Customers on a contractual basis. The terms and conditions of each contract offering are subject to the agreement of both the Customer and Company. Such contract offerings will be made available to similarly situated Customers in substantially similar circumstances. Rates in other sections of this tariff do not apply to Customers who agree to contract arrangements, with respect to services within the scope of the contract.

Services provided under contract are not eligible for any promotional offerings which may be offered by the Company from time to time.

6.2 Individual Case Basis Arrangements

Arrangements will be developed on an individual case basis (ICB) in response to a bona fide special request from a Customer or prospective Customer to develop a competitive bid for a service. ICB rates will be offered to the Customer in writing and on a non-discriminatory basis.
