Dear Mr. Secretary:

I am writing this letter requesting to become an active party in the proceedings I have identified below. Skipping Stone is an energy consulting firm which specializes in the deregulation of the electric utility industry. Our firm now represents a number of power marketers and aggregators who plan on selling power in Pennsylvania once the Pilot Program begins and also for the duration of the restructuring. Our clients have been active in many other Pilot programs throughout the country as well as restructuring proceeding. As such we feel that our input in the proceedings would benefit all parties. The following are the proceedings we plan on being active in:
