WEST PENN POWER COMPANY :

RESPONSE TO NEW MATTER OF
WEST PENN POWER COMPANY
TO THE COMPLAINT OF HAROLD BRAKE

TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

I, Harold L. Brake, in response to New Matter by West Penn Power Company do hereby offer the following items of fact:

Item 4. - Acknowledges that (SMT) surcharge is being assessed without the benefit of and beneficial use by the complainant.

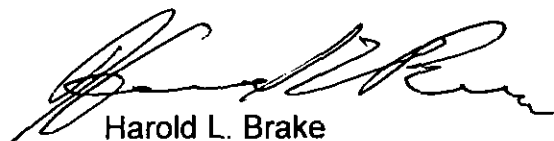

This is in violation of the very premise that The Pennsylvania Public Utility Commission was founded upon:

- a. To protect the individual consumer
- b. To be an advocate for the consumer
- c. To prevent corporate gouging by utility suppliers

Item 5. – The charge is not appropriate for services **NOT** rendered.

Wherefore, Harold L. Brake hereby requests (SMT) surcharges be waived until a bona fide service is being provided to all accounts in which the Complainant has a financial interest.

Respectfully submitted,

Harold L. Brake
