PENNSYLVANIA
PUBLIC UTILITY COMMISSION
Harrisburg, PA 17105-3265

Public Meeting held November 4, 1998

Commissioners Present:

John M. Quain, Chairman
Robert K. Bloom, Vice Chairman
David W. Rolka
Nora Mead Brownell
Aaron Wilson, Jr.

Application of PECO Energy Company for
Approval of its Restructuring Plan Under Section
2806 of the Public Utility Code, et al.

Docket Nos. R-00973953
and P-00971265

DOCKETED

ORDER ON RECONSIDERATION

NOV 06 1998

BY THE COMMISSION:

On April 29, 1998, parties to the above captioned matter filed a ~~Joint~~ Petition for Full Settlement of PECO Energy Company's Proposed Restructuring Plan and Application for a Qualified Rate Order and Application for Transfer of Generation Assets ("Joint Petition").¹ The proposed settlement, approved by order entered May 14, 1998

DOCUMENT
FOLDER

¹ / Joint petitioners included PECO Energy Company ("PECO" or the "Company"); Senator Vincent J. Fumo; the Office of Consumer Advocate ("OCA"); the Office of Small Business Advocate ("OSBA"); the Office of Trial Staff ("OTS"); the Philadelphia Area Industrial Energy Users Group ("PAIEUG"); Lance S. Haver; the Consumers Education and Protective Association, et al. ("CEPA") (which includes the Consumers Education and Protective Association, the Tenant Action Group, ACORN and John W. Long, Jr.); Community Legal Services; the Environmentalists; the Delaware Valley Energy Consortium; Pennsylvania Retailers' Association; U.S. Department of the Navy; Action Alliance of Senior Citizens of Greater Philadelphia; Pennsylvania Department of Aging; Enron Power Marketing, Inc. ("Enron"); NEV East LLC ("NEV"); Conectiv Energy; Mid-Atlantic Power Supply Assoc. ("MAPSA"); Skipping Stone; Pennsylvania Petroleum Association and Pennsylvania Association of Plumbing,

contained provisions establishing advanced metering and billing in PECO's service area which were implemented by our order entered July 1, 1998 at this docket.

On July 16, 1998, PECO filed a Petition for Reconsideration with respect to the July 1, 1998 order. Issues raised by PECO were limited to what will be referred to our direction that PECO implement procedures necessary to establish the provision of billing and metering services by third party providers as well as a request for clarification and *extension of time for implementation measures necessary for initiation of competitive metering and billing*. A response in opposition to PECO's petition was filed on July 24, 1998 by Enron, which was later joined in by letter filed by Conectiv.

After reviewing PECO's request and the responses thereto, we herewith deny PECO's request that we reconsider our directive to establish procedures for the provision of third party metering and billing services to end use customers (which PECO refers to as provision by "unrelated Electric Generation Suppliers"). While PECO contends that it only intended to agree to the provision of metering and billing services by competitive EGSs serving their own end use customers, we have carefully reviewed the matter and adhere to our view that third-party provision of metering and billing services was envisioned by the parties and the settlement of the issues.

Heating, Cooling Contractors, Inc.; Allegheny Power System, Inc. ("APS"); GPU Energy Inc. ("GPU"); PP&L, Inc. ("PP&L"); Pennsylvania Rural Electric Assoc. ("PREA") (all such parties collectively referred to as the "Joint Petitioners")

However, we have determined that it is in public interest to grant PECO's request that the deadline for implementation be extended. We recognise the complex nature of the infrastructure changes necessary in PECO's billing and customer service operations, along with the required implementation of urgently necessary changes necessary to the start of retail access on January 1, 1999. While we recognize that Enron and Conectiv are eager to commence the implementation of third party metering billing and collection services, we are convinced that a prudent extension of time will assure that necessary software and infrastructure changes will be implemented correctly and reduce the possibility of serious problems which would reduce the effectiveness of the program.;

THEREFORE,

IT IS ORDERED:

1. That with respect to PECO's request for reconsideration with respect to an extension of time for the implementation schedule for third party metering and billing procedures, PECO's request for extension of time be and is hereby granted. PECO shall take all necessary measures to implement third party metering and billing on or before July 1, 1999. In all other respects, PECO's request for reconsideration is denied.

2. That this order be served on all parties to PECO's restructuring proceeding at Docket Nos. R-00973953 and P-00971265.

BY THE COMMISSION

James J. McNulty
Secretary

(SEAL)
