RE: Edward Ferguson
5122 Malcolm Street
Philadelphia, PA. 19139
Case# C-2013-2360708

Dear Judge Jones:

Mr. Edward Ferguson is known to our out-patient facility receiving life sustaining hemodialysis treatments every Monday, Wednesday and Friday for End Stage Renal Disease. It has come to our attention that Mr. Ferguson has a hearing scheduled for that date regarding his bill dispute with PECO Energy and we are hoping that we can assist him in obtaining a continuance so his court date can be rescheduled for a Tuesday or Thursday (his off dialysis days), so that Mr. Ferguson does not miss his needed dialysis treatment. We have notified opposing counsel Shawane L. Lee, and they do not object to this request (as he has set up his appointment to have his meter read by PECO Exelon with John Vizza for Thursday 6/20/13).

Your time and consideration around this request has been greatly appreciated. If you have any further questions or concerns, please feel free to contact me at (215) 476-8301.

Sincerely,

Carol Kasoff, MSW, LSW, NSW-C
