RE: Application for Motor Contract Carrier of Property
Submittal of Exemption from PUC Cargo Insurance Requirement
Company: Environmental Products & Services of Vermont, Inc.

JUN 24 2013

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

Dear Sirs,

This letter is being submitted in response to your letter dated June 17, 2013 (see attached) dismissing Environmental Products & Service of Vermont, Inc.'s PUC Authority application due to non-submittal of cargo liability insurance documents.

Environmental Products & Services of Vermont, Inc, as noted in your letter, never received for unknown reasons your original Commission Order/Secretarial letter that our application for PUC Authority has been approved. We had been waiting on this letter and the PUC Application Docket # in order to submit our Exemption for PUC Cargo Insurance Requirements. EPSVT is a solid and hazardous waste transportation company which transports wastes that have no value. The materials being shipped are shipped by the generators of the waste for proper treatment, recycling and or disposal at a cost for the actual treatment, recycling or disposal. The materials as shipped have no economic value.

Attached to this letter you will find the completed "Exemption from PUC Cargo Insurance Regulations" form for the above referenced PUC authority applicant, Environmental Products & Services of Vermont, Inc.

We hope with this submittal of the exemption request that our application can completed and authority granted. We apologize for not submitting this exemption request earlier however we were waiting on the Application Docket # to complete the form which we again for some unknown reason never received in the mail.

Should you have any questions on this submittal please contact me at 315-451-6666 as soon as possible.

Sincerely,

Robert T. Clarke

Environmental Compliance Coordinator
