Re: Docket C-2013-2343453

I am responding to the letter dated June 5, 2013. I have been in 3 Motor Vehicle Accidents in less than 1 year. The first being on 7/24/12, second 8/17/12 and the last 5/14/13, all serious accidents, in addition, I suffered concussions and have doctor documented memory loss.

I in fact replied to e-mail as you can see below, which Ms. Leva never responded to, which is no surprise given she is representing Phila Gas Works. I have been unable to work since the first accident. None of the accidents were my fault and I am under the care of 4 different specialists. In addition, I have doctor notes indicating I am no allowed to participate in any type of court hearings due to the heavy medications. All I was asking for was some type of payment plan. Thank you for your consideration.

Best Regards,

Kimberly Lopez

Hello Ms. Leva,

I'm not sure what this is all about. Since July 2012 I have been involved in 3 car accidents, none of which were my fault. I have suffered 3 concussions and have documented memory loss from the accidents. The worst of all the accidents was on 7/24/2012 and I haven't been able to return back to work as of yet. Per my Doctor I am not allowed to participate in any court hearings due to the amount of medications I am on; that has been in force since 7-24-12, which was part of my job.

Best Regards,

Kim Lopez
