RE: Complaint C-2013-2372701

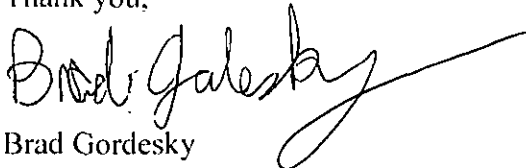

I am in receipt of this complaint with it's fine of \$300.00.

On May 21, 2013 a settlement between the PUC and Jetway Transport was entered on Docket Numbers C-2012-2320322 and C-2012-2315590. This settlement agreement pertains to drivers driving on suspended licenses where Jetway Transport has received no notification of these suspensions.

Jetway Transport has agreed to obtain driver histories on a quarterly basis even though 52 PA Code- 504(b) requires this to be done only once every 12 months. This would give us more updated information on suspended licenses but still not a daily report.

The current complaint I believe is double jeopardy on a settlement that was already entered into that was recognized as the best possible solution for both sides.

Thank you,

Brad Gordesky  
Operations Manager
