PUBLIC MEETING JUN -2 2000
June 2, 2000
JUN-2000-L-79*
R-00973954

STATEMENT OF COMMISSIONER NORA MEAD BROWNELL

I am voting to approve the proposed by-laws for PP&L, Inc.'s Sustainable Energy Fund today. Because of my recent dissent from approval of the Metropolitan Edison Company and Pennsylvania Electric Company's Sustainable Energy Fund By-laws (R-00974008 and R-00974009, Order Adopted April 27, 2000, entered April 28, 2000), I would like to further explain my vote here. I am able to support these by-laws in part because PP&L, Inc. has used an open selection process to find an administrator that is knowledgeable with the technology being promoted and has financial management expertise. Accordingly, a major concern of mine regarding selection of an administrator through an open and effective process has been addressed.

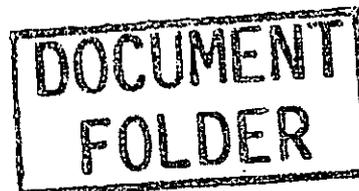

I wish to reiterate that the purpose of this fund is to promote, research and invest in clean and renewable energy technologies, energy conservation, energy efficiency and sustainable energy enterprises that provide opportunities and benefits for rate payers. That vision and focus must remain the driver behind the operations and lending strategies of the Fund. Prudent and careful administration of these funds can result in tremendous returns on the ratepayer dollars that establish them. In addition, the activities undertaken by the Fund should make every effort to attract additional revenues to replenish funds and maximize the effectiveness of ratepayer investment.

An ongoing concern, however, relates to a clear commitment that the funds will be administered in the most efficient manner possible. I am disappointed that the by-laws fail to provide for cooperative efforts with similarly situated funds to provide efficiencies and economies of scale in the leveraging of dollars and fund administration. Although the by-laws do not provide for these cooperative efforts, I expect that the administrator will examine that approach as business plans are developed.

PP&L, Inc. Sustainable Energy
Fund By-laws

Docket Nos. R-00973954

ORDER

BY THE COMMISSION:

By this Order, the Commission approves, as modified, the by-laws for the PP&L, Inc. (PP&L) Sustainable Energy Fund, thereby paving the way for the fund to begin operations to promote the development of and use of renewable and clean energy technologies in Pennsylvania.

On May 21, 1999, the Commission approved the Board of Directors for the PP&L Sustainable Energy Fund. In accordance with PP&L's Joint Petition for Settlement and with the May 21, 1999 Order, the PP&L Board of Directors convened and developed by-laws to set forth the Sustainable Energy Fund requirements and operations.

The proposed by-laws submitted by the Board of Directors establish a clear and practical means for the Board and the Fund Administrator(s) to operate the Fund.

However, in order to facilitate the Sustainable Energy Fund's operations and to ensure

that all the sustainable energy funds created during the electric restructuring proceedings operate consistently where practical, the Commission has made modifications to the proposed by-laws.

To ensure consistency with the other sustainable energy funds, we have inserted some additional language from the PECO Energy Sustainable Development Fund for inclusion here. To identify the manner in which the Fund will be operated we have added a section to state that the Fund will be operated in an entrepreneurial fashion and that the Fund will work cooperatively with the other sustainable energy funds in the Commonwealth.

As with the PECO Energy sustainable energy fund by-laws, we have amended Section 9 to provide, consistent with the Commission's authority to oversee the operations of the Sustainable Energy Fund, for the removal of director, for cause, by the Commission or by motion of a two-thirds (2/3) majority of the Board and Commission approval. In Section 10 we have removed the provision allowing for the directors to receive a stipend but retained the payment of reasonable expenses for food, lodging, transportation and similar items incurred in pursuit of the Fund's operation.

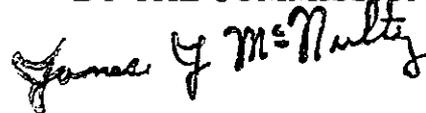

The proposed by-laws also contained a provision to dissolve the Fund. As we stated in removing a similar provision from the PECO sustainable energy fund by-laws, the dissolution provision is inconsistent with the goal of these funds. It is the Commission's intent that these funds themselves become sustainable through efficient management and the leveraging of monies received from other funding sources. Therefore, the proposed dissolution provision has been removed. Our remaining

alterations to the proposed by-laws amount to editorial changes so as to strengthen the proposed provisions.

The Commission commends the dedication and the work undertaken thus far by the PP&L Sustainable Energy Fund Board of Directors. Moreover, through a cooperative effort of all the sustainable energy funds and the Commission-established statewide oversight board, we are certain that the Sustainable Energy Fund will succeed in its endeavor to foster a renewable energy market in Pennsylvania; **THEREFORE IT IS ORDERED THAT:**

The Commission approves the by-laws for the PP&L Sustainable Energy Fund as set forth in Appendix A.

PP&L SUSTAINABLE ENERGY FUND**

ARTICLE I. NAME AND LOCATION

Section 1. Name. The name of the corporation shall be PP&L Sustainable Energy Fund (the “Fund” or the “corporation”).

Section 2. Location. Offices of the Fund shall be located as directed by the Board of Directors.

ARTICLE II. MISSION STATEMENT

Section 1. Purpose. The corporation is formed and shall exist exclusively for charitable, educational and scientific purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986 (or the corresponding provision of any successor United States Internal Revenue Law). The mission of the corporation is to promote, research and invest in clean and renewable energy technologies, energy conservation, energy efficiency and sustainable energy enterprises that provide opportunities and benefits for PP&L rate payers.

Section 2. Approach. The Fund shall be operated in a business-like and entrepreneurial manner to be a continuing provider of financial assistance for energy conservation, energy efficiency, renewable energy, clean energy and sustainable energy businesses. The Fund shall operate cooperatively with other sustainable energy funds and the statewide oversight board established by the Commission. In fulfilling its

mission, the Fund shall utilize the financial tools of loans, equity investments, deposits into interest bearing accounts, payments to the fund and grants.

Section 3. Policy. The Fund shall not discriminate against any person or institution seeking or receiving services or benefits from the Fund on the basis of race, creed, religion, color, national origin, sex, age, handicap, or sexual preference.

ARTICLE III. BOARD OF DIRECTORS

Section 1. Authority and Responsibility. The governing body of the Fund shall be the Board of Directors. The Board of Directors shall have supervision, control, and direction of affairs of the Fund; shall determine its policies or changes therein; shall actively pursue its objectives and supervise the disbursements of its funds. The Board may announce such rules and regulations for the conduct of its business as shall be deemed advisable, and may, in the execution of the powers granted, delegate certain of its authority and its responsibility to an appropriate entity, as determined by the Board of Directors.

Section 2. Composition. The Board of Directors shall consist of seven directors. The Board as a whole should be representative of the interests identified in the final negotiated settlement of August 12, 1998. The initial seven directors have been approved by the Pennsylvania Public Utility Commission ("PUC"). The Board of Directors shall elect all new directors. The term of a new director shall begin upon approval of the director by the Commission.

Section 3. Term of Office. The usual term of office for directors shall be three (3) years but a director's term of office shall last until his or her successor has been elected and seated pursuant to these bylaws. Nominations for shorter terms may be made at the discretion of the Board of Directors in order to fill vacancies or to stagger term expirations among years. Directors shall be eligible to serve for two consecutive full terms or until their representative successors are elected and have taken office pursuant to these bylaws, whichever is longer. Retiring directors shall be eligible for reappointment after a one-year absence from the Board of Directors. The terms of the directors shall be arranged so that approximately one-third of the terms end each year.

Section 4. Election of Directors. New directors shall be nominated at the board meeting preceding the Annual Meeting. Such candidates shall be elected at the Annual Meeting.

Section 5. Quorum of the Board. The quorum for a meeting of the Board of Directors shall be at least five (5) members of the Board, and any business transacted shall be valid providing it is affirmatively passed on by the majority of the directors present, except as otherwise provided in the bylaws. Attendance can include presence at the meeting via verifiable means, including videoconferencing and teleconferencing. There shall be no proxy voting. Each director shall have one vote.

Section 6. Meetings of the Board. Regular meetings of the Board of Directors shall be held as determined by the Board of Directors. Special meetings of the Board of Directors shall be called by the President whenever he/she shall deem necessary, or upon written request, signed by three (3) members of the Board of Directors. The Board shall

keep written minutes of each meeting. The minutes shall include a record of votes on all motions. Minutes of the previous meeting shall be distributed to all members before the next meeting. Notice of all meetings shall be given to the directors at least five (5) business days before the meeting is held, unless waived in writing by Board Members. Notices shall be given in writing and sent through the United States mail, postage prepaid, or by other means approved from time to time in advance by the Board of Directors, such as fax or e-mail, to each person entitled to notice, at his or her latest address recorded on the books of the Fund. A notice of meeting shall specify the place, day, hour, and agenda of the meeting, and, in the case of a special meeting, the general nature of the business to be transacted.

Section 7. Emergency Meetings. If the President determines that an urgent matter has arisen, and that a meeting of the Board of Directors cannot be convened in time to take action on the matter, then the President may direct that a telephone, fax or e-mail poll of the Board of Directors be taken. Any such business shall be valid, providing it is affirmatively passed on by a majority of the Board of Directors, and is ratified at the next regular or Emergency meeting of the Board of Directors.

Section 8. Annual Meeting. The Fund shall hold an annual meeting which is open to the public in the second quarter of each fiscal year. The annual report shall be distributed to all in attendance. At this meeting, the Board of Directors shall transact only those items of business deemed essential. The rest of the meeting shall be reserved for matters of general public interest and concern. The Fund will make best efforts to notify the PP&L ratepayers of the Annual Meeting.

Section 9. Vacancies and Removal. There is a vacancy on the Board when a director has been notified of his/her official removal by action of the Board for cause, when a director notifies the Board of his/her resignation, or when his/her term expires. The Commission may remove any individual director from the Board of Directors for cause on its own motion or upon approval of a motion submitted to the Commission by a two-thirds (2/3) majority of the seven-member Board of Directors. A Board motion must clearly identify the stated cause by which the Board relied in reaching its decision.

Section 10. Compensation. Directors shall be entitled to reimbursement for reasonable expenses for food, lodging, transportation, and similar items incurred within Pennsylvania in pursuit of the Fund's business. The amount will be determined by the Board.

Section 11. Limitation of Liability. A director shall not be personally liable for monetary damages for any action taken, or any failure to take any action, unless both (i) the director has breached or failed to perform the duties of his/her office under subchapter B of chapter 57 of the Pennsylvania Nonprofit Corporation Law, and (ii) the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness. This limitation of liability shall not apply to (i) the responsibility or liability of a director pursuant to any criminal statute or (ii) the liability of a director for the payment of taxes pursuant to local, state or federal law. Any repeal or modification of this limitation of liability shall be prospective only, and shall not affect, to the detriment of any director, any limitation on the personal liability of a director existing at the time of such repeal or modification.

ARTICLE IV. OFFICERS

Section 1. Officers. The officers of the Fund shall consist of a President, a Vice President, a Secretary, a Treasurer and such other officers as the Board of Directors may determine.

Section 2. Election of Officers. The Board of Directors shall nominate candidates for the required offices of the Fund as provided in the Bylaws. At its discretion, the Board of Directors may nominate one (1) or more qualified candidate(s) for each office at the meeting prior to the annual meeting. The Board of Directors shall act on all nominations until a full slate of officers has been elected. An individual may serve both as an officer and as a director, and one individual may hold more than one office.

Section 3. Term of Office. The officers shall be elected and seated at the Annual Meeting of the Board of Directors. Each shall hold office for a term of one (1) year commencing immediately upon their election and continuing until a successor is duly elected.

Section 4. Re-election. Officers may serve consecutive terms.

Section 5. Vacancies -- Removal. Vacancies in any office must be filled for the balance of the term thereof by the Board of Directors. The Board of Directors may, at its discretion, remove any officer at any time, but only upon the vote of 5 directors.

ARTICLE V. DUTIES OF OFFICERS

Section 1. President. The President shall be the chief officer of the Fund. The President shall preside at all meetings of the Directors. The President shall exercise such duties as customarily pertain to the office of President and shall have general and active supervision over the property, business, and affairs of the Fund and over its several officers. The President shall serve as a member ex-officio, without right to vote, on all committees. The President shall make all required appointments of committees with the approval of the Board of Directors. The President shall perform such other duties as may be prescribed from time to time by the Board of Directors or by the Bylaws.

Section 2. Vice President. The Vice President shall have such powers and perform such duties as may be assigned by the Board of Directors or the President. In the absence or disability of the President, the Vice-President shall perform the duties and exercise the powers of the President.

Section 3. Secretary. The Secretary shall give or cause to be given notices of all Directors' meetings, and shall attend and keep or cause to be kept the minutes of the same; shall keep or cause to be kept all books, records, and papers; shall have custody of the seal of the Fund; and shall perform or cause to be performed all other duties as are incident to this office which may be assigned by the President or by the Board of Directors. In the absence or disability of the President and the Vice President, the Secretary shall perform the duties and exercise the powers of the President.

Section 4. Treasurer. The treasurer shall have charge and custody of all funds of the corporation, shall maintain an accurate accounting system and shall present

financial reports to the Board of Directors in such manner as the Board may from time to time determine.

ARTICLE VI. COMMITTEES

Section 1. Committees. There shall be committees as determined by the Board of Directors.

Section 2. Committee Membership. All appointments to committees shall be made by the President and approved by the Board of Directors. Individuals who are neither officers nor directors may serve on committees with the approval of the Board of Directors.

Section 3. Duties and Responsibilities of Committees. The duties and responsibilities of committees shall be as determined by the Board of Directors.

Section 4. Committee Meeting Quorum. The quorum for the purpose of holding any duly called committee meeting shall be two members of the committee, who are members of the Board.

ARTICLE VII. ADMINISTRATOR AND STAFF

Section 1. Selection. The Board of Directors may, at its discretion, appoint an Administrator(s). The Administrator(s) will be paid by the Fund. The Administrator may be an individual or a corporation.

Section 2. Authority and Responsibility. The Administrator shall be responsible for management functions of the Fund and shall serve as a member ex-

officio, with no right to vote, on committees. The Administrator shall manage and direct activities of the Fund as prescribed by the Board of Directors and shall be responsible to the Board. The Administrator shall employ and may terminate the employment of members of the staff necessary to carry on the work of the Fund and fix their compensation in a manner consistent with the Fund's Personnel Policies. The Administrator shall define the duties of the staff, supervise their performance, establish their titles, and delegate those responsibilities of management as shall, in the Administrator's judgment, be in the best interest of the Fund and in a manner consistent with the Fund's Personnel Policies.

Section 3. Removal. The Administrator may be dismissed with or without cause by the Board of Directors provided that notice of such proposed action is given to the directors in accordance with these bylaws prior to the meeting of the Board of Directors at which the Administrator is removed. The Administrator may be suspended immediately by the President, provided that such suspension, in order to continue in effect, must be ratified by the Board at its next scheduled meeting.

ARTICLE VIII. CONFLICT OF INTEREST

No director, or any business in which a director or his or her immediate family serves as staff, officer, owner or director, shall transact any business of any kind with the Fund unless the following two conditions have occurred:

- (a) The director has notified the other directors in writing, or at a meeting of the Board of Directors, of his or her potential business or personal interest in the transaction; and,
- (b) The director abstains from any Board discussion and/or vote regarding such transaction.

ARTICLE IX. INDEMNIFICATION AND INSURANCE.

Section 1. Right to Indemnification. The Fund shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was a director or officer of the Fund, or, while a director or officer of the Fund, is or was serving at the request of the Fund as a director, trustee or officer of another corporation, partnership, joint venture, trust or other enterprise, including an employee benefit plan, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, whether or not the indemnified liability arises or arose from any threatened, pending or completed action by or in the right of the Fund, to the extent that such person is not otherwise indemnified and to the extent that such indemnification is not prohibited by applicable law.

Section 2. Advance of Expenses. Expenses incurred by a director or officer in defending a civil or criminal action, suit or proceeding shall be paid by the corporation in

advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Fund.

Section 3. Procedure for Effecting Indemnification. To determine whether any indemnification or advance of expenses under this Article is permissible, the board of directors by a majority vote of a quorum consisting of directors not parties to such action, suit or proceeding may, and on request of any person seeking indemnification or advance of expenses shall be required to, determine in each case whether the applicable standards in any applicable statute have been met or such determination shall be made by independent legal counsel if such quorum is not obtainable, or, even if obtainable, a majority vote of a quorum of disinterested directors so directs. The reasonable expenses of any director or officer in prosecuting a successful claim for indemnification, and the fees and expenses of any special legal counsel engaged to determine permissibility of indemnification or advance of expenses, shall be borne by the Fund.

Section 4. Modification or Repeal. No modification or repeal of any provision of this Article shall affect, to the detriment of the director or officer, the obligation of the Fund to indemnify or to advance expenses to a director or officer in connection with a claim based on any act or failure to act occurring before such modification or repeal.

Section 5. Indemnification Not Exclusive; Inuring of Benefit. The indemnification and advancement of expenses provided by this Article shall not be deemed exclusive of any other right to which one indemnified may be entitled under any agreement, vote of directors or otherwise, both as to action in such person's official

capacity and as to action in another capacity while holding such office, and shall inure to the benefit of the heirs, executors and administrators of any such person.

Section 6. Insurance, Security and Other Indemnification. The Board of Directors shall have the power to (i) authorize the corporation to purchase and maintain, at the Fund's expense, insurance on behalf of any person who is or was a director, officer, employee or agent of the Fund or was serving at the request of the Fund as a representative of another entity, to the extent that power to do so has not been prohibited by applicable law, (ii) create any fund of any nature, whether or not under the control of a trustee, or otherwise secure any of its indemnification obligations and (iii) give other indemnification to the extent not prohibited by statute.

ARTICLE X. FINANCE

Section 1. Fiscal Year. The fiscal year shall begin on July 1.

Section 2. Bonding of Employees or Officers. The Board of Directors may require all or some officers or employees to be bonded as it shall deem necessary.

Section 3. Authorized Signatures. All checks, drafts, and orders for payment of money shall be signed in the name of the Fund and shall be countersigned by such officers or agents as the Board of Directors shall designate for that purpose.

Section 4. Annual Audit. The Fund shall prepare annual audited financial statements, and shall make semi-annual unaudited reports to the PUC. The Fund shall make its semi-annual reports and audited financial statements available to the public and shall deliver such reports to additional parties as the PUC may from time to time direct.

ARTICLE XI. ADOPTION OF BYLAWS AND AMENDMENTS

Section 1. Adoption. These Bylaws shall be adopted by a two-thirds vote of the Directors present and voting at the time of its proposal to the Directors for ratification. Upon adoption, the Bylaws shall be delivered in writing to the PUC for review and approval.

Section 2. Effective Date. These Bylaws shall be in full force and effect immediately upon adoption, subject to an initial review and approval by the PUC.

Section 3. Amendments. The Board of Directors may, by a vote of 5 directors present, alter, amend, suspend, or annul these Bylaws at any regular meeting or special meeting duly convened after 30 days notice to the directors, provided that any such changes to these bylaws will delivered to the PUC and are subject to review and approval by the PUC.
