**Re: Application of PP&L, Inc. for Approval of its Restructuring Plan
Under Section 2806 of the Public Utility Code
Docket No. R-00973954**

KJR

Dear Mr. Russell:

Pursuant to Section 1102(a)(3) of the Public Utility Code, enclosed please find a certificate of public convenience authorizing the transfer of the Sunbury Steam Electric Station from PP&L, Inc. (PP&L) to its corporate parent, PP&L Resources, Inc. (Resources). Since PP&L has entered into an Asset Purchase Agreement under which it will transfer the Sunbury Steam Electric Station to Resources, the issuance of this certificate evidences the Commission's prior regulatory approval for the transfer of generation assets and liabilities to third parties, as provided by Order entered on August 27, 1998 in the above-captioned proceeding.

Very truly yours,

James J. McNulty
Secretary
