RE: IntelePeer, Inc.

Dear Mr. McNulty:

On behalf of IntelePeer, Inc. ("IntelePeer"), enclosed is its Second Revised Pennsylvania Tariff No. 2 for the provision of Switched Access Services in Pennsylvania.

IntelePeer reduced its interstate rates for Pennsylvania in its FCC Tariff No. 1 so that its interstate rates and rate elements in all jurisdictions would be identical. IntelePeer is now filing this revised tariff so that its intrastate tariffs in Pennsylvania are in parity with its reduced interstate rates, and mirror the rate structure set forth in its FCC Tariff No. 1.

Also, please note that IntelePeer does not have any intrastate revenue for switched access services in the state of Pennsylvania.

Should you have any questions concerning this filing, please do not hesitate to contact the undersigned.

Respectfully submitted,

Anthony Gallegos
