

**Pennsylvania Power & Light Company
Response to Interrogatories
of the Office of Consumer Advocate, Set XII
Dated June 12, 1997
Docket No. R-00973954**

- Q.6. Please state the number of electric heating residential customers in the PP&L service territory, and the number in the service territory of each other Pennsylvania electric company (reference Mr. Dahl's testimony, p.10, line 16). Please break down these figures by income status, to the extent information is available.
- A.6. As of May 31, 1997, there were 330,040 electric heat customers in PP&L's service area. The number of electric heat customers in the service areas of other electric utilities in Pennsylvania for the 12 months ended December 31, 1995 is provided in Attachment 1. More current information is not available.

Information about the income status of these electric heat customers is unavailable.
