Dear Mr. Thompson:

Re: La Mexicana Express Service, LLC
Docket No. A-2012-2329717
Persons in Paratransit Service Application

As your records will indicate, I represent Applicant in the above captioned application proceeding. My Pennsylvania Supreme Court number is 29681.

This will confirm my telephone today with David P. Thompson, Compliance Specialist, Bureau of Technical Utility Services, during which I, on behalf of my client, requested an additional 20 days from August 6, 2013, or until August 26, 2013, for Applicant to respond to the information requests contained in Mr. Thompson's July 23, 2013 letter. My client will require this additional time to supply much of the information requested, especially as to company ownership, formalized financial reports, and vehicle information. Accordingly, Applicant submits there is a need for requesting the additional 20 days.

If you have any questions relative to any of the above, or require additional information, do not hesitate to contact me. I await your response and advice as to the additional time request. Your usual courtesies, considerations, and expedited handling, and those of Mr. Thompson, are appreciated.

Respectfully yours,

Kenneth A. Olsen
