Re: 52 PA Code 1.56(a) Docket NO. C-2013-2366871

To Whom It May Concern:

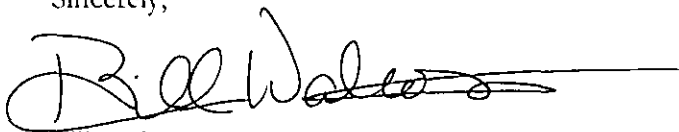

We received a Complaint Notice from your department in regards to Ruan Logistics Corporation's (MC #583366) failure to maintain evidence of Liability Insurance on file with the Commission.

We moved our Liability Insurance from National Interstate to Ace American Insurance Company on 05/01/2013. National Interstate issued a Form K to the State of Pennsylvania stating that on 05/01/2013 their insurance would end. We made a request to Ace American Insurance Company prior to 05/01/2013 to issue a Form E to the State of Pennsylvania evidencing the appropriate Liability Insurance. It has been brought to our attention that Ace American Insurance Company did not issue the correct documentation on our behalf. As of the writing of this letter another request has been made to file the Form E, and the proper documentation should be in place as of your receipt.

We respectfully request that you waive the \$500 fine imposed by the Commission and remove the suspension in place, as we have tried to stay in compliance with the regulations.

Please let us know as soon as possible as to the outcome of this request.

Sincerely,

Bill Walton
